Nurturing Our Future - Growing Together
Kia atawhai aa mua - Kia tipu ngatahi

Wiki/ Week 10 Happenings:

The children are looking ready for a holiday - they have had a busy, hard working term and we are seeing a number away with different winter bugs and illness. Let's hope you can all have a happy holiday with some sunshine following this final wet week of term.

We wish all of our families a safe and happy winter holiday break. Whether you are snuggling in around home, heading out into the beautiful outdoors, venturing further afield around our magnificent Aotearoa or even going off shore - have a wonderful time together.

Whakatau Welcome: We look forward to seeing you all refreshed and ready for another term on **Monday 25th July**. We will be welcoming 18 new students to our school, with a small Whakatau at 9.00am at Gate 3. All of our new enrolments and their whānau will be welcomed at this time. This will be followed by a special assembly later in the day, when our new students will be introduced to the school by their siblings and friends. We will also be opening our new senior climbing frame which will be erected over the holidays.

Learning Conferences Booking Link Now Open!!

Week 2, Term 3. Thursday 4th August: 1.30pm closing!

Bookings for our upcoming Learning Conferences, to be held on **Thursday 4th August** are now open. Bookings operate on a first in first served basis.

Mid Year reports will be going home with your children in Week One next term. **This is early notification that we will be stopping instruction at 1.30pm on this day, to allow more time for our Learning Conferences to occur.** We will be having a shortened lunch break and running different learning times for the day. The bus will be running an hour earlier and After School Care will also start an hour earlier.

We always look forward to hosting our learning conferences. Having strong links between school and parents is so important in supporting children's learning and for everyone to be on the same page. Understanding how things are going for your child in both environments, really helps to cater for their individual needs as best as possible.

This year, to allow time for our larger classes, some of our Learning Conferences (Parent, teacher and student conversations) will start from 10.30am and will run throughout the day and evening until 7.00pm. The link to book your learning conferences for all 3 Syndicates is below:

- [Taupiri, Pirongia & Maungatautari Syndicate LEARNING CONFERENCE BOOKING LINK](#)

Please be aware of the following:

- 1. Different classes have different slots:** To cater for children being at school as well as having conferences, not all classes will be having learning conferences at the same time, until after 1.30pm. Families with children in all syndicates may prefer to book into later slots, to help accommodate your needs.
- 2. One Conference per child:** So that each child can celebrate their learning journey with the ones they love and get all caregivers on the same page with the support required, we ask that all parents join together for this occasion to support your child and enable teachers to have the time needed for all conferences. There are not enough spaces for our split family parents to have an appointment each. We appreciate your support in this matter.

3. **Berkley Normal Middle School (BNMS) Information Evening:** We see the BNMS information evening is on the same night, so we recommend our Year 6 parents select earlier slots during the day, to avoid a clash.

4. **Technology:** With the use of technology e.g. Zoom and Google Meet, if you are unwell please don't come on site. Instead, we will organise a face-to-face online conference. This could also be used as an option to include your spouse or partner in the interview via a phone conference.

5. **COVID & Wellness Protocols:** As with our normal school protocols, please sanitise on the way in and wear a mask to your conferences, so that our teachers can stay well and be able to keep on teaching after our Learning Conferences. Thank you.

We apologise for any inconvenience caused by our early conclusion of the day but felt this was easier for families, rather than setting a whole day aside.

We look forward to meeting with you and your child to discuss their progress and achievements.

Science Roadshow

The Year 5 and 6 students had an enlightening trip to the Science Roadshow this week. While there, we had two science shows presented to us, one about electricity and the other about our precious resource, water. Students also had time to move amongst a variety of science experiments. We would like to acknowledge the huge group of parents who were able to join us on this trip.

Clothes going to *Clothe Our Kids Waikato*

A huge thanks everyone! The Clothe Our Kids Waikato organisers wanted to say a massive thanks for all the clothes and the money. As a result of your generosity, they have been able to put bags together for families in need, that are then given out through various organisations in Hamilton. Please know that our giving will help many families in Hamilton.

There is still a need for warm winter kids pyjamas, so if you would like to assist this amazing organisation, please contact them through their Facebook page <https://www.facebook.com/clotheourkidswaikato/>

Clothe Our Kids Waikato loved that the bags we sorted had ages on them. Great job team !!!! 💪

Results from the Inter-School Tumbling Championships 2022

Gymnastic Academy holds Tumbling classes at our school throughout the school year. A number of our students participated in the 2022 *Gymnastics Academy Inter-Schools Tumbling Championships* last Sunday.

This was an opportunity for our Gymnastics Academy students to be involved in competition against other schools and demonstrate their skills to their parents and family. Each competitor earned points towards their schools overall total. This year the event was held at The Peak Sports Centre in Hamilton.

There were 100 competitors, with over 20 schools from Hamilton, Cambridge and Bay of Plenty districts competing in five progressive divisions from beginner to advanced level.

Name & Division	Tumble Run 1-10.0	Tumble Run 2-10.0	Overall Total	Placing
Charlee M Green Division - 6 Year Old Girls	7.75	7.5	15.25	8th
Cobie B Green Division -7 Year Old Girls	8.5	8.8	17.3	5th

Name & Division	Tumble Run 1-10.0	Tumble Run 2-10.0	Bonus Skill-0.5	Overall Total	Placing
Shiya G Bronze Division - 10 Years and under	9	8.9	0.5	18.4	2nd
Shyla J Bronze Division -10 Years and under	8.9	8.5	0.5	17.9	6th

There were trophies awarded to the top three schools in each district for primary years 1-6, and our team achieved 3rd Place. Well done girls!!!!
