Nurturing Our Future - Growing Together
Kia atawhai aa mua - Kia tipu ngatahi

Wiki/ Week 7 Happenings:

It is lovely to be back amongst the buzz and excitement of our happy school again. I have just returned from exploring the North and Waitangi area, and learning a lot more about our history while on sabbatical. I am lucky to still have some time to continue my sabbatical journey later in the year. A **huge thanks goes to Annette Howard** and our team who have kept everything going so well in my absence. It is incredible to see how much some of your children have grown in only a couple of months. Due to the illness of a Photolife photographer, the **class photos** were not able to happen yesterday but will hopefully occur next Wednesday - **Day One of Fieldays** - not ideal, but we hope everyone can be there by 9:00am to be part of these special historic pictures. Well done to our **Ball Committee**, your amazing reputation has achieved an incredibly quick sell out of tickets. Thank you to everyone who is supporting us at this great event. I hope you all have a fantastic night. Thank you so much to our **very generous sponsors** for your support. Please see these businesses further down in the newsletter and where you can, support them or give them an opportunity to quote for your business.

Waveney

COMING UP IN WEEK 8:

- On **Monday 12th June**, we have the author and illustrator of 'Emma', **Jessica Lawry visiting our school** and delivering a reading and a talk, including a question and answer session with all three syndicates. 'Emma' is about Emma Twigg's Incredible Journey to Olympic Gold. Please check out further details about this visit, featured later in this newsletter.
- Unfortunately due to illness, **Photolife Studios** were only able to complete the Sibling and Individual student photos this week. We have rescheduled the class photos for next **Wednesday 14th June**.
- Next **Thursday 15th June**, our **SCHOOL IS CLOSING AT THE EARLIER TIME OF 2.00pm**, to allow our staff to complete their First Aid Refresher Course. After School Care will start at 2.00pm and the school bus will be leaving half an hour earlier.

SHORTENED SCHOOL DAY
THURSDAY 15th JUNE

- This then leads into an extra long 3 day weekend for our families, with **FIELDAYS FRIDAY TEACHER ONLY DAY on Friday 16th June**.

Predator Free Tamahere Visit

Last Thursday, Alison Ewing and Robyn Richardson from **Predator Free Tamahere** visited our school talking to some of our senior EnviroSchool students.

Last week, we interviewed Predator-Free Tamahere. What an amazing organisation! Predator-Free Tamahere formed their group, as a breakaway from a larger Hamilton group. They started because they love the environment and wanted to see more native birds around Tamahere. They started about a year ago and have been improving Tamahere's environment ever since.

Predator-free Tamahere thinks that if you put more traps out, then we will see more native birds. Imagine..... Tuis and Ruru in your garden?
Nearby Maungatautari Sanctuary Mountain is the most amazing habitat for endangered New Zealand birds and wildlife. As their numbers increase, more birds will fly away to find a new territory or people will transport them to other places.

That impacts Tamahere.
This is why it is OUR responsibility!
Just by putting traps around the garden and gully, you will be surprised at how many pests are living around your home. Imagine hearing beautiful bird chirps.

As far as pests go.....
Rats are the easiest to catch, stouts and weasels are destructive. Predator-free Tamahere have caught 1335 pests so far using 1860 traps. Wow! As you see, we need a lot of people trapping pests.
Interestingly enough, wild cats are the hardest pests to catch. They can live off bugs and rats. And eat native bird eggs and can climb trees as well.
These are not your household cats though, (but we found the idea of cats being pests quite sad.)

Predator-free Tamahere is looking for new families to join and support this course. The Enviro group will also be talking with school about what we can do to help our local wildlife. (Sorry bunnies and hedgehogs!)
We are interested in talking to Miss Parker and Tamahere Model Country School about this.

Author/illustrator Visit Monday June 12th

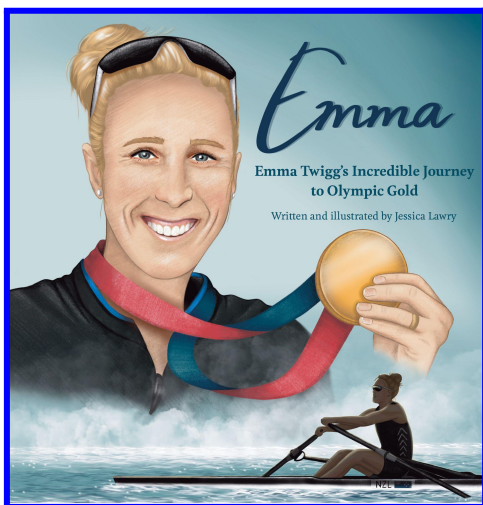

Jessica Lawry will be visiting our school and doing a reading and talk, with a question and answer session with all three syndicates about Emma Twigg's Incredible Journey to Olympic Gold.

'Emma' written and Illustrated by Jessica Lawry, is a 32 page, non fiction children's picture book, about New Zealander Emma Twigg's inspirational rowing career, and her remarkable journey of self discovery and growth, as she strived to earn her first Olympic medal. It is a tale of true resilience and perseverance, as well as a reminder that relationships are at the core of success.

If you would like to order an author signed copy, they will be available to purchase after the visit for \$20.00 a copy. Jessica will see if they could also possibly be signed by Emma Twigg as well.

You can email your pre order of signed books to our school librarian Theresa Kewish tkewish@tamahere.school.nz

Traffic Management Plan in place for Fieldays

Here is a message from the NZ National Fielddays Society about the Traffic Management Plan that they have in place for next week.

Traffic congestion and flow could be an issue for those living and working around Mystery Creek, en route to and from work and/or school, places of work and areas like the Airport. Please plan accordingly for these disruptions.

We have an extensive Traffic Management plan in place for Fielddays, stretching from Piarere in the South to Taupiri in the North. Expect to see Traffic Management on Raynes Road and the SH21 and SH3 roundabout.

The details of the road closures and one-way traffic around Mystery Creek are as follows:

MORNINGS

5.45am to 11.30am - One way from Mellow Road to Gate 5 heading north toward Hamilton Airport (refer to map). The road between Gate 5 and Gate 2 will be closed for the above duration.

While the one-way system is in place both in the morning and in the afternoon, there will be a manned road closure at the intersection of Mellow Road and Mystery Creek Road with access being granted for emergency services only.

For those properties on Mystery Creek Road beyond the road closure access will be via McEldownie Road. There will be a chicane at the junction of Kaipaki Road & McEldownie Road to allow free access to the area for all residents displaying the above pass. This will be manned while in place and will be designed to allow vehicle movements to & from the junction without being forced into the oncoming traffic lane.

11.30am – 1.00pm - Mystery Creek Road & Mellow Road will return to dual carriageway and all road closures will be removed.

AFTERNOONS

1.00pm – 6.30pm - One way from Gate 5 to Mellow Road heading south toward Cambridge. The road between Gate 5 and Gate 2 will be closed for the above duration.

Neighbours residing between Mellow Road and Gate 2 - If you are heading back during this time access to your property will be via Airport Road onto Mystery Creek Road through the road closure to Mellow Road.

6.30pm – 5.45am - Mystery Creek Road & Mellow Road will return to dual carriageway and all road closures will be removed.

Thank you for your cooperation and understanding around traffic delays and road closures during this busy time for the NZ National Fieldays Society. Should you have any questions or concerns, kindly contact our office on 07 843 4497 or email reception@znfnfs.co.nz.
