Nurturing Our Future - Growing Together
Kia atawhai aa mua - Kia tipu ngatahi

Wiki/ Week 9 Happenings:

He mihi nui moo teenei wiki, te wiki o te reo Maaori.
I teenei wiki, e ako ana ngaa taurira i etahi raarangi, me ngaa kupu hou.

Greetings to you all this week, Te Reo Māori Language Week. This week our students have been extending their vocabulary and sentence learning of te reo Maaori.

The 2024 Te Wiki o te Reo Maaori theme is 'Ake, ake, ake - A forever language' This theme represents the resilience, adaptability and endurance of te reo Maaori and reflects the commitment New Zealanders have to embracing and learning te reo Māori.

Learning about te reo Maaori, along with tikanga and Aotearoa Histories are all part of the New Zealand Curriculum. Our production next week will be celebrating and showcasing parts of our learning in this area. We hope you can join us.

Kia kaha Te Reo Maaori – making the language stronger.

End of Year Date Change!

Due to a mistake in calculations and needing to fulfill our legal requirements of days open at school, there will be a tweak to our Term 4 dates shared earlier. Instead of finishing on Tuesday 17th December at 12:30pm, we will now be finishing at the same time on Wednesday 18th December. All of our events will remain on the same days as previously planned, e.g. Prize Giving and Graduation Evening, so no one is impacted. We apologise for this change and hope it does not inconvenience you too much. Our last day of Term 4 will now be on Wednesday 18th December 2024, finishing at 12:30 pm.

Nga Puuraakau o Aotearoa The Stories Of New Zealand

Only a couple more school days until our production kicks off! We hope you will all be able to join us in Week 10. Thank you to you all, we know you are supporting us with organising costumes and re-organising your family to be able to attend our two performances in the early evening on Wednesday 25th and Thursday 26th September. We hope you enjoy the show!

Organisation for our evenings performances:-

Kapa Haka Roopuu girls need to be at school by 5:20 pm, boys by 5:30 pm dressed in their base costumes - clearly named. We will meet in the TCC - girls upstairs and boys in the foyer/kitchen room, where you will get changed into your performance uniforms. After the kapa haka, students/aakonga will change back into their base costumes and rejoin their classes for their next performance. Please have a named bag to leave base costumes in while performing for our Kapa Haka Roopuu so we don't get any items mixed up.

Main Characters - Meet in the TCC at 5.30pm dressed in their school uniform with stage makeup done.

Maungatautari - We would like all Maungatautari students to be in their classes between 5.30pm and 5.45pm for the evening performances. Once the children arrive at school they need to go straight to their class rather than play outside.

Pirongia - **N1** will be meeting in H18 at 5.45pm in costume. **K2** will go to P5 in costume for the roll at 5.30pm, and will then be sent on by the adult helpers to K3. **K3** will meet in K3 in their black clothing for further additional costume items at 5.30pm. **M11** will meet in M11 at 5.45pm wearing costumes. **T12** will sign in at M11 wearing their costumes and wait for Mr Stephenson to finish with the kapa haka group before heading to their class.

Taupiri - All Taupiri students are required to be at school by 5.20 in their classrooms for the evening performances. The classroom doors will be open by 5pm. We do not require make up to be worn. Costumes will stay at school, please wear something easy to slip in and out of. We will have a sign in and out of classes, teachers will organise this in classes.

End of Term Sausage Sizzle Reminder:

The PTA have organised an end of term sausage sizzle for next Friday. Order forms were sent home with students this week.

Please ensure that the order forms and cash are returned to the class teacher before 9.00am on Tuesday 24th September.

We are delighted to share that Pumpkin Night 2024 raised close to \$15,000.00 for the school. Thanks to everyone who supported this wonderful event and we can't wait to see you again next year.

If you are wanting to grow a giant pumpkin this year, the **seeds are now available from the school office for collection**. We are not sending seeds home to every family this year - you or your children are welcome to pop in and pick some up. A great Spring holiday activity.

Term 4 - PTA Fundraiser

Some of you who have been with the school a while may remember a fundraiser involving custom tea towels. The PTA are excited to announce that this fun fundraiser is making a return in Term 4. During the first 2 weeks of the term, each student (and teacher) will produce a head and shoulders self portrait. These will all then be collated and arranged onto a tea towel, similar to this image. Each year level will be represented on a separate tea towel, with Year 0 and Year 1 being combined due to numbers. Online orders will open up in about Week 3 of next term, allowing for delivery in time for the end of the year and Christmas! If you have any questions, or would like to be involved in the coordination of this fundraiser, please email pta@tamahere.school.nz

Jump Jam

Our Year 5 and 6 Jump Jam team competed at the Strictly Jump Jam Competition, which was held at Hamilton Boys High School on Saturday. The team gave an amazing performance and should be very proud of their efforts. The team came away with excellence in presentation and a merit in technical execution. Thank you for all of your hard work and determination, girls.

Thank you Mrs Saussey! - for all your hard work and dedication supporting this team to compete at this level.

After School Care

ASC kids on tour

In the afternoons we often go and drop our apple cores, carrot and orange pieces in Kat's worm farm. I already hear the children shout: "No oranges Inge, the worms don't like them!!"

That's right; no oranges or any other citrus, that makes the worm compost too acidic. We met Mrs Karadshi by the worms carrying sticks, leaves and cardboard with us, but we had forgotten the newspaper..... Looks like the worms have to wait until next time to read the local news...

Well - we all wanted to see some worms, so Inge started digging and everyone was keen to hold a few worms, what a great experience. Thanks Mrs Karadshi for introducing us to the worms.

Class Placements for 2025 - Let Us Know!! - 4th Reminder

As we approach Term 4, it is once again time for us to start planning our classroom environments for next year.

When we organise classes in our school we look at each of our students' academic and social needs and abilities. We use our cumulative teachers' notes and check friendships with each child. We strive to achieve the best possible learning environments for all of our students and teachers. We actively decide to separate some students and join others, to achieve the best possible learning and teaching outcomes.

While providing support, we also work to build resilience and independence in our students, so that they will be able to cope with change and the next steps in their educational journeys when they transition from us to other schools. Our aim with mixing students around is to develop a school environment where students know and are happy to work with many other students, to give opportunities to develop further friendships and to have a break from others to improve concentration and learning.

If you believe you have *any special information that you feel our teachers may not be aware of*, for example – the possibility of avoiding a competitive cousin in the same class, or neighbourhood friends that get to see each other too much, **please let your class teacher know** as they will add any relevant comments to the cumulative placement sheet. It is important if you have any information to share that you **let us know before the end of this term**. Please, do not feel you must make comments as we are not expecting many cousins, etc to be a consideration.

This is for information that we are unaware of.

Pet Diaries:

Children have two options: A hard copy, a notebook, a clear file, etc. (what is included in it is up to you - there is no set criteria). The second option is to create a Google slide pet diary. We will let you know who to give or send these to in Week 1 of Term 4. If you have any questions, please see Miss S or Mrs Smit.

Click here to find out everything you need to know regarding Ag Day [Link to AG Day info on school website](#)

HOW TO ENTER AN ANIMAL?

Every child that wishes to enter an animal into Ag Day will need to complete an entry form, the links to do this are below. Note: Entry forms will need to be completed by the **end of Term 3**, to allow for data to be collated, number of judges requested, and ribbons ordered.

Please email agday@tamahere.school.nz if you have any questions.

Any child who wishes to enter must complete an entry form:

HOW TO ENTER A VEGE GARDEN?

Vege Garden Competitions Timeframe:

The Vege Garden competition opens on Saturday, 25th August. Gardens must be started on or after this date, and can run until judging, which will take place at the end of the October school holidays (12/13 October). Prize winners will be announced at Ag Day.

The criteria is open to the children to decide what they would like to create. Get inventive and use your imagination! Gardens are not intended to be brought to school and **will be judged at the location of the garden** (home/residence). Entries can be something as simple as lettuce grown in an upcycled container, through to a project carefully thought through with an elderly neighbour or grandparent.

Children will need to keep a diary containing details on what, and when, they have planted. Plants may be started as seeds or seedlings and children should understand basic principles, such as planning the garden, preparing the soil, watering, pest and weed management. Other than that, we are keen to see our children outside enjoying the fresh air, hands on and getting creative!

Any child who wishes to enter must complete an entry form:

YUMMY STICKER SHEETS

If you have any **FULL YUMMY STICKER SHEETS**, can you please return these to the office by the end of Term 3, so that we can send them off to claim our free sports equipment. The more you collect, the more sports gear we can receive. Thank you for your continuing support.

Hats in Term 4

With hats being compulsory for Term 4, it is a great time to organise for children's names (first name and first letter of surname) to be embroidered on the back of their school hats. This costs only \$9.00 each! Not only is this an extremely competitive price, but the investment in purchasing only one hat and eliminating the need for several replacements more than pays for itself.

This is not just for brand new hat purchases but existing hats too!

To be included in time for Term 4, please bring your child's hat to the school office with your \$9 payment (or order a new one for a total of \$30). This can take between 1-2 weeks, so please order as soon as possible.

Do you help sports happen by putting your hand up to coach a team? Sport Waikato wants to hear about your experience and they'll use this information to help improve the coaching experience for future coaches and the players they coach! It's anonymous so they won't share any personal identifying details with anyone.

Share your experience <https://www.surveymonkey.com/r/RMWC6KD> (the survey takes approximately 5 minutes to complete)

These insights will help Sport Waikato staff, sporting organisations and schools in the Waikato region make informed decisions for their coaching support to provide the best experience possible for coaches and their communities. The broader findings may be used to share via social media, in case studies, reports or articles.

Tag a coach that you think should take the survey
