Nurturing Our Future - Growing Together
Kia atawhai aa mua - Kia tipu ngaatahi

OUR VISION

Kia Manaaki
Honour Be Your Guide

Kaitiaki

Someone who cares for others
Ehara taku toa i te toa takitahi,
engari kee he toa takitini

My success is not mine alone,
but it is the strength of many

Kia Maia
Confident Can-Do

Karawhiua

'Go for it - give it heaps!'
Mauri mahi, mauri ora
Through work, we prosper

Kia Kotahi
Together As One

Mahi Tahī

Working together as one
He waka eke noa
We're all in this together

Kia Manaaki
Honour Be Your Guide

I am culturally respectful
I value others and
the environment
I make good choices

Kia Maia
Confident Can-Do

I am enthusiastic, curious
and ask questions
I try my best even when
things are hard
I am a responsible risk-taker

Kia Kotahi
Together As One

I am kind and inclusive
I am reliable
and trustworthy
I listen, share and contribute

Kia atawhai aa mua - Kia tipu ngaatahi
Nurturing our Future - Growing Together

Nurturing our Future - Growing Together
Kia atawhai aa mua - Kia tipu ngaatahi

School Description

Tamahere Model Country School is situated almost equal distance between Hamilton and Cambridge in a semi-rural environment, close to State Highway 1 and Hamilton International Airport.

Established in 1884 our school exists within mature grounds and enjoys spacious playing fields.

We are a school with a supportive community and parents who have high expectations for their children's education.

An enrolment scheme has operated since 2005 and, with this, our roll is steady and this year our peak will be around 430. We cater for Year 0 – 6.

The children are encouraged to achieve high academic standards. Our daily teaching of Maths and English embracing the Government's one hour a day is important to us. A wide variety of opportunities are offered across all curriculum areas from the Arts and Culture, with Kapa haka, choir and productions through to Physical Education and Sports, including Outdoor Education and Weekend Sporting teams.

School and community events are valued for their contribution to our children's development. Agricultural Day and Pumpkin Night help maintain our rural atmosphere and community spirit.

As a Model Country School, School of Education students are a regular and positive feature of our school environment.

We strive for all of our students to reach their potential.

Community Goals

At Tamahere Model Country School we value our **Children**.

We strive for:

- Children who are enthusiastic learners, academically challenged and physically fit.
- Children who are able to communicate effectively and are equipped with the skills and values necessary to succeed now and in the future.
- Children who show respect for themselves and others.

At Tamahere Model Country School we value our **Environment**.

We strive for:

- An emotionally and physically safe, open and inclusive environment that values diversity and challenges our children.
- Strong community and whanau links preserving our rural identity.
- As an Enviro School, we strive for children who respect, protect, appreciate and enhance our local and global environment.

At Tamahere Model Country School we value our **Parents/Caregivers/Whanau**.

We strive for a:

- United approach to learning, with strong home and school links, together fostering a love for learning.

At Tamahere Model Country School we value our **Staff**.

We strive for:

- A skilled teaching staff dedicated to innovative, dynamic and forward-thinking.
- Who are focused on creating opportunities for every child to succeed.

**Tamahere Model Country School –
A learning community where everyone is honest, respectful and attains their individual best.**

Tititi o Waitangi

In our kura, we are committed to incorporating the Tiriti o Waitangi principles alongside the guiding principles outlined in Ka Hikitia, ensuring that our curriculum reflects the values and aspirations of Aotearoa New Zealand. Our approach is anchored in acknowledging the Tiriti o Waitangi principles, honouring our nation's bicultural foundations, and fostering an environment where aakonga can embrace te reo Maaori and tikanga Maaori.

We are dedicated to achieving excellent outcomes for Maaori learners and their whaanau, by recognising and building upon their strengths. As we grow a sense of belonging and connection in our school community, we aim to create an inclusive and supportive environment where all learners thrive.

We strive to provide instruction in Tikaanga Maaori and Te Reo Maaori for all of our students, and provide extension with te reo and Kapa Haka opportunities. Our Maaori Achievement Plan (MAP) as attached shows the strategies we use to lift and support our Maaori tamariki. Tamahere Model Country School's curriculum recognises the unique position of Maaori within Aotearoa New Zealand society.

Ngaati Hauaa Iwi are an important part of our community and a taonga that help to guide us.

Cultural Diversity

Tamahere Model Country School values the multi-cultural nature of the Aotearoa - New Zealand society and through our Vision strives to support and honour every child in our kura.

Model Status

Tamahere School is a Model Country School. This means we have a special relationship with the University of Waikato - Division of Education and ongoing placements and support for student teachers, from tutorials through to weekly integration on our staff. We are part of the Normal & Model Schools Association which works hard to be a voice for quality Initial Teacher Education in Aotearoa.

Hillcrest Kahui Ako

We are part of a Community of Learners (COL) that was established in 2016. Schools in our Kahui Ako are Hillcrest High School, Berkley Normal Middle School, Peachgrove Intermediate, Hillcrest Normal School, Silverdale Normal School, Hamilton East School, Tauwhare School, Newstead Model Country School, Matangi School and ourselves. Working together as a community our aim is to collectively raise student achievement even further.

Consultation:

The Tamahere School Board consults regularly with our community. Processes for consultation include; School Newsletters, Parent Teacher Association and Board Meetings, Waanau Hui, Ngaati Hauaa, Tamahere Community Centre and committee, on site activities and events e.g. Grandparents Day, student-centred learning Conferences, Whakatau for new aakonga and Whaanau, parent involvement in camps, 'Dad's Army', surveys and information evenings.

Six Education Priorities:

Our Charter and Strategic Goals embrace the Government's six education priorities as listed below. The National Education Learning Priorities NELPS are also integrated throughout our overall goals.

- **Clearer curriculum:** Establishing a knowledge-rich curriculum grounded in the science of learning.
- **Better approach to literacy and numeracy:** Implementing evidence-based instruction in early literacy and mathematics.
- **Smarter assessment and reporting:** Implementing consistent modes of monitoring student progress and achievement.
- **Improved teacher training:** Developing the workforce of the future, including leadership development pathways.
- **Stronger learning support:** Targeting effective learning support interventions for students with additional needs.
- **Greater use of data:** Using data and evidence to drive consistent improvement in achievement.

Nurturing Our Future - Growing Together

Strategic Goals

To collaboratively build staff capability in Maths and English teaching, through living our vision and sustainable TMCS practices.

Kia atawhai aa mua kia tipu ngaatahi.

To build student capability, confidence and agency through living our vision, and increasing knowledge to accelerate achievement in Maths and English

Kia maia, kia manaaki, kia kotahi

To provide a safe and inclusive physical environment that enhances, learning and teaching.

Kia Manaaki -I value others and the environment.

Initiatives 2025 - 2026

1. TMCS Being the best we can be! To have a strong base using the framework Whakapapa o Te Maataiaho "Doing the basics brilliantly!"
2. To start implementing the new Mathematics Curriculum
3. To start implementing the new English Curriculum.

1. TMCS - Being the best we can be!
Kia Maia, Kia Manaaki, Kia Kotahi
Kia atawhai aa mua - kia tipu ngaatahi.
2. To raise achievement in Mathematics.

3. To raise achievement in English.

1. To have a safe and healthy learning and recreational campus for all to enjoy.
2. (a). To Progress our 5YA projects
2(b) To Progress non 5YA funded projects if possible.
3. Progress possible Wish List ideas for future years.

Output

1. Our Vision evident in all areas using PB4L
2. Staff value & use our rocks & pedagogies.
3. Common language across the school.
4. Planning & Assessment guidelines devpt.
5. Science of Learning understandings devpt.
6. Practices aligned to NZ Maths & Statistics and English Curriculum.
7. Learning progressions align with NZC
8. Improved teacher confidence in NZC.
9. Updated resources available.
0. Annual Maths & English Coverage plans developed.

1. Vision strengthened through PB4L & signage.
2. Aakonga assessment capable.
3. Aakonga demonstrate self-regulation, increased Tiriti o Waitangi awareness in a safe, inclusive environment.
4. Aakonga increased confidence and skills in Maths and English supported by child-friendly progressions, updated resources, and small group support.

1. 10YPP & 5YA operating effectively
2. All P1 & P2 works achieved in a timely manner.
3. Unisex toilets in N1/K2 area with breakout space behind developed.
4. Ongoing upgrade of classroom environments.
5. Kowhai 4 is removed and beautified space created at centre of school

Measures of Success

1. Living our Vision
2. PB4L practices, TMCS Rocks, pedagogies, and Science of Learning are consistently used.
3. The new curriculum is evident in planning and teaching.
4. Improved student engagement & achievement in both Maths & English
5. Increased teacher confidence in implementing the new NZC Maths & English with effective use of resources,
6. Coverage plans for Maths and English in use.

1. Reduction in behaviour incidents
2. Increased motivation, engagement, and use of vision language
3. Accelerated progress in Maths, particularly for girls & Maaori ākonga,
4. Accelerated progress in English, especially for boys & Maaori ākonga,
5. Classroom environments are supported by PB4L practices, student feedback, other survey results.

1. A high quality physical environment that is healthy and safe for all.
2. Gender- Neutral toilet facilities available for all.
2. Beautified space created at centre of school which is enjoyed by school community

STAFF GOAL: 2025

Strategic goal: To collaboratively build staff capability in Maths and English teaching, through living our vision, and sustainable TMCS practices. Kia atawhai aa mua kia tipu ngatahi.

We embrace the Government's Six Education Priorities 2024 within this strategic goal.

- ❖ **Clearer curriculum:** Establishing a knowledge-rich curriculum grounded in the science of learning.
- ❖ **Better approach to literacy and numeracy:** Implementing evidence-based instruction in early literacy and mathematics.
- ❖ **Smarter assessment and reporting:** Implementing consistent modes of monitoring student progress and achievement.
- ❖ **Improved teacher training:** Developing the workforce of the future, including leadership development pathways.
- ❖ **Stronger learning support:** Targeting effective learning support interventions for students with additional needs.
- ❖ **Greater use of data:** Using data and evidence to drive consistent improvement in achievement.

Links shown between our goals and the NELPs:-

Objective 1: Learners at the Centre

Priority 1: Ensure places of learning are safe, inclusive and free from racism, discrimination and bullying

Priority 2: Have high aspirations for every learner/ākonga, and support these by partnering with their whānau and communities to design and deliver education that responds to their needs, and sustains their identities, languages, and cultures

Objective 2: Barrier Free Access

Priority 3: Reduce barriers to education for all, including for Māori and Pacific learners/ākonga, disabled learners/ākonga and those with learning support needs

Priority 4: Ensure every learner/ākonga gain sound foundation skills, including language, literacy and numeracy

Objective 3: Quality Teaching and Leadership

Priority 5: Meaningfully incorporate te reo Māori and tikanga Māori into the everyday life of the place of learning

Priority 6: Develop staff to strengthen teaching, leadership and learner support capability across the education workforce

Objective 4: Future of Learning and Work

Priority 7: Collaborate with industries and employers to ensure learners/ākonga have the skills, knowledge and pathways to succeed in work

Strategic goal: 2025 Maaori Achievement Plan

To build student & staff capability and sustainability. Lift; achievement, resilience and cultural connectedness through living our vision, embedding collaboration and consistency.

Kia atawhai aa mua kia tipu ngatahi. Kia maia, kia manaaki, kia kotahi.

We embrace the Government’s Six Education Priorities 2024 within this strategic goal.

- ❖ Clearer curriculum: Establishing a knowledge-rich curriculum grounded in the science of learning.
- ❖ Better approach to literacy and numeracy: Implementing evidence-based instruction in early literacy and mathematics.
- ❖ Smarter assessment and reporting: Implementing consistent modes of monitoring student progress and achievement.
- ❖ Improved teacher training: Developing the workforce of the future, including leadership development pathways.
- ❖ Stronger learning support: Targeting effective learning support interventions for students with additional needs.
- ❖ Greater use of data: Using data and evidence to drive consistent improvement in achievement.

Links shown between our goals and the NELPs:-

Objective 1: Learners at the Centre

Priority 1: Ensure places of learning are safe, inclusive and free from racism, discrimination and bullying

Priority 2: Have high aspirations for every learner/ākonga, and support these by partnering with their whānau and communities to design and deliver education that responds to their needs, and sustains their identities, languages, and cultures

Objective 2: Barrier Free Access

Priority 3: Reduce barriers to education for all, including for Māori and Pacific learners/ākonga, disabled learners/ākonga and those with learning support needs

Priority 4: Ensure every learner/ākonga gains sound foundation skills, including language, literacy and numeracy

Objective 3: Quality Teaching and Leadership

Priority 5: Meaningfully incorporate te reo Māori and tikanga Māori into the everyday life of the place of learning

Priority 6: Develop staff to strengthen teaching, leadership and learner support capability across the education workforce

Objective 4: Future of Learning and Work

Priority 7: Collaborate with industries and employers to ensure learners/ ākonga have the skills, knowledge and pathways to succeed in work

Initiatives	Actions How will we achieve or make progress towards our strategic goal?	Outputs What do we expect to see?	Measure of success	RAG Status
-------------	---	--------------------------------------	--------------------	------------

<p>1. To embrace Te Ao Maaori practice and tikanga.</p> <p>To strengthen and increase success of our Maaori Aakonga academically, and achieving as Maaori</p>	<ul style="list-style-type: none"> • To celebrate and welcome every child and their whaanau who enrol at our school with a Tamahere Model Country School Whakatau • Consultation with our whaanau and aakonga to better understand and respond to the needs of our learners. • Keep learning with MAC developing our strengths. • Support Hillcrest Kaahui Ako Cultural Diversity initiatives and involvement. • Achievement expectations and targets are set each year and regularly monitored to ensure learners are making progress. • School-wide focus on Agency - with students having more voice. Elements to be inquired into include:- Motivation & engagement, Learners as leaders, Learner driven learning. • Emphasising Positive Behaviour for Learning (PB4L) schoolwide which is part of our school culture. Sharing and building on our Vision virtues of Kia 	<p>Our whaanau feel welcomed to our school and have an opportunity to meet other new families.</p> <p>Increase achievement and success of our Maaori students</p> <p>PB4L data is used to plan actions for teaching and learning - we are responsive to the story the data is telling us. Student achievement is regularly discussed and acted upon at a class, syndicate and school-wide level.</p> <p>Greater motivation and engagement due to exciting learning motivated by agentic learning.</p> <p>Our school vision is demonstrated in the day-to-day behaviour of our students.</p> <p>Talking the common language through our vision of what positive actions look like in a range of settings across the school and community.</p>	<p>Gather feedback from whaanau about their experiences</p> <p>We will survey whaanau to ensure we are meeting the needs of our learners Analysis of progress and acceleration data</p> <p>We will survey students to gain student voice.</p> <p>Survey through kanohi-te-kanohi conversations and other methods of effective engagement, our whaanau with Maaori and Pasifika tamariki to gain their feedback on a range of areas including academic, cultural, etc.</p>	
---	--	--	---	--

	<p>Manaaki, Kia Kotahi and Kia Maia under our umbrella - with Kia atawhai aa mua Kia tipu ngatahi.</p> <ul style="list-style-type: none"> ● Embed Maaori histories, narratives, and values into all learning areas, ensuring the <i>Aotearoa New Zealand Histories</i> curriculum is authentically delivered. ● Connecting with our Maaori students to know and understand their whakapapa. ● Identify and build greater opportunities for student leadership, developing and recognising role models. Including Kapa Haka. ● Identify and reduce any barriers for Maaori Aakonga to achieve success 	<p>We provide support to whaanau with financial challenges.</p> <p>We subsidise camps, after-school care, uniforms and devices, stationery, food, etc.</p> <p>We follow up on whaanau who have students with attendance issues.</p> <p>Maori traditional stories, and tikanga, are authentically incorporated into classroom learning, aligned with the <i>Aotearoa New Zealand Histories</i> curriculum.</p> <p>Whaanau and aakonga meetings to support aakonga's learning and possibly identify and address barriers to Maaori learner success.</p> <p>Professional development opportunities through MAC initiatives) to support teachers' understanding of Te Ao Maaori and culturally responsive practices.</p> <p>Regular School-wide Whakatau to celebrate and welcome whaanau and students.</p>	<p>Evidence of Maaori traditional stories incorporated in teacher planning and student work.</p> <p>Maaori learners and their whaanau report feeling valued and supported (measured via surveys and hui feedback).</p> <p>Staff share an increased confidence in culturally responsive teaching strategies.</p>	
--	--	---	---	--

<p>2. To raise achievement of our Maaori Aakonga in maths and writing.</p>	<p>Teachers are able to differentiate their teaching for a wide range of learning needs from those who have special needs to those who are gifted learners.</p> <p>Literacy and numeracy are areas we spend most of our learning time to build competence and confidence in all learners.</p> <p>Target learners are identified and tracked on the target doc. across the year. Strategies to accelerate learning are discussed and shared at syndicate, and whole school level.</p> <p>Te reo Maaori is taught in all classes for a minimum of 30 minutes a week.</p> <p>Each term a plan is set in place to ensure there is a systematic approach for teaching te reo Maaori.</p> <p>Teachers to implement the plan that the staff have co-constructed for the planning and teaching of te reo Maaori. Te Reo Maaori Plan</p>	<p>Actively reaching out to our Māori whaanau through pepeha and conversations.</p> <p>Special needs supports are in place to support learners who have extra needs.</p> <p>We celebrate a range of gifts and talents at our school including The Arts and cultural competencies to build mana.</p> <p>Teachers are supported and set up for success to be able to teach literacy and numeracy in a highly competent manner.</p> <p>Increased number of classes operating at 4B</p> <p>All classes to start the Aotearoa way operating at level 4 B.</p> <p>Teachers and students value te reo Maaori by showing their respect and passion for the language in a range of settings.</p> <p>Structured literacy and numeracy resources (e.g., decodable texts, Prime Maths) and approaches are used across all classrooms. Regular small-group interventions support identified for Maaori learners.</p>	<p>Gather student voices to inform what is working well and guide the next learning steps.</p> <p>Achievement data shows progress for Māaori learners in writing and maths (tracked via consistent formative and summative assessments). Students in Tier 2 and Tier 3 interventions show accelerated</p>	
---	---	---	---	--

	<p>Learning from Maaori Achievement Cluster initiatives</p> <p>Weekly te reo Maaori upskilling at Staff meetings</p>	<p>Child-friendly literacy and numeracy progressions, aligned with the NZC, are displayed and actively used in classrooms.</p> <p>Syndicate and whole-school meetings focus on discussing and sharing strategies for target learners to ensure consistent approaches, monitoring and acceleration.</p>	<p>progress in targeted learning areas.</p> <p>Increased confidence and engagement in literacy and numeracy reported by students, teachers, and whaanau.</p> <p>Teachers consistently use progressions and assessment data to inform planning and adapt teaching practices.</p>	
<p>3. Build staff capability in Culturally Responsive Teaching</p>	<p>Kapa haka - all students attend this programme.</p> <p>Weekly Te reo Maaori extension classes offered to aakonga.</p> <p>Specialist CRT weekly slots for te reo Maaori classes.</p> <p>Teacher PLD to continue to build capacity in te reo Maaori capabilities.</p> <p>Students and staff learn and share karakia together each morning.</p> <p>Weekly Kapa haka general and performance roopu offered to aakonga.</p> <p>School communications and rewards use Maaori language</p>	<p>Teachers and students demonstrate their respect and passion for tikanga Maaori through their positive actions and attitudes.</p> <p>Our students know and value our local stories and can relate them to the environment they live in.</p> <p>All students attend kapa haka lessons in their hapu groups.</p> <p>Senior and middle students can perform in our kura's Kapa haka roopuu to compete at Kapa haka festivals.</p> <p>Our students know aspects of the history of our country Aotearoa and are able to share this with their whaanau.</p> <p>Local histories resources created and used.</p>	<p>Teacher planning and classroom observations.</p> <p>Timetabled each week.</p> <p>Roll is kept and photos and videos of performances are evidenced.</p> <p>Teacher planning and classroom observations.</p>	

	<p>to encourage the use of Maaori on a day-to-day basis.</p> <p>Marae visits on a biannual basis to Ngaati Hauaa-Te Iti o Hauaa.</p> <p>We are continuing to build strong and positive relationships with Ngaati Hauaa.</p> <p>Building a bank of the local stories (history) for all students to draw from in the years ahead.</p> <p>Resources are available for the whole school to use to plan for and teach te reo Maaori, local histories and tikanga Maaori.</p>	<p>Unit plans developed in alignment with the refreshed Social Studies curriculum.</p> <p>Aotearoa Histories curriculum increasingly being integrated throughout our learning areas.</p> <p>School signage that uses Maaori phrases and wording to encourage the use of Maaori on a day-to-day basis.</p> <p>Positive relationship with Ngaati Hauaa established</p> <p>School communications consistently incorporate te reo Maaori in newsletters, signage, and vision awards.</p>	<p>Ongoing collaboration and marai visits every two years.</p> <p>Examples of newsletters and school communications using te reo Maaori.</p> <p>School signage displaying te reo Maaori alongside English.</p> <p>Certificates and awards.</p>

Initiatives	Actions How will we achieve or make progress towards our strategic goal?	Outputs What do we expect to see?	How will we measure success?	RAG Status
1. To create an effective system for monitoring and	a) Heather(office) to inform WP & SLT about daily absences in a timely manner.	<ul style="list-style-type: none"> ● Increased attendance of our High Risk students 	<ul style="list-style-type: none"> ● Data shows increased attendance 	

<p>analysing attendance</p>	<p>b) At risk students followed up in the first 30 minutes.</p> <p>c) Develop a clear system to follow. Text, phone, no answer → emails → extended whaanau contacted.</p> <p>d). Attendance tracked using Edge. Link attendance data to PB4L information that is weekly sent to Syndicates for discussion and follow up.</p> <p>e) Individual teachers building extra relationships with at-risk students and their families.</p> <p>f). Senior Leadership Team (SLT) building connections with at-risk students and their whaanau.</p> <p>g) Linking our attendance data and achievement to see trends and extra support needed.</p> <p>Our School Vision & PB4L practices used to encourage students to attend and ensure a safe and happy place to be.</p>	<ul style="list-style-type: none"> ● High risk families - feeling we really want their children here and they understand that full attendance is important ● School works in partnership with whaanau to improve attendance of at risk students ● Extended whaanau are also aware of concerns we have, and helping to support attendance. ● Attendance data and achievement data linked to see trends and extra support needed. ● Whaanau are kept aware of the attendance rates of their children and how attendance impacts on learning ● Partnership developed between home and school to improve attendance 	<ul style="list-style-type: none"> ● High risk students have increased attendance ● System for following up absences working effectively ● Improvement in attendance ● Positive relationships with whaanau in relation to school attendance ● PB4L and school vision practices working effectively to encourage attendance ● Increased attendance results in increase in achievement data 	
<p>2. To identify trends with attendance across Kahui Ako - Truancy Service</p>	<p>A. At-risk students linked in with our Kahui Ako truancy initiatives and coordinator.</p> <p>B. Attendance champion to attend Kahui Ako meetings to discuss trends and strategies for improving</p>	<ul style="list-style-type: none"> ● Families across Kahui Ako schools all linked and trends and support can wrap around the whole whaanau. ● Regular meetings to monitor students and 	<ul style="list-style-type: none"> ● Improved attendance both in school and across the Kahui Ako. ● Systems put in place to monitor students and 	

<p>and develop strategies to address needs</p>	<p>attendance</p>	<p>design appropriate support systems.</p>	<p>appropriate support systems are working effectively to reduce truancy and improve attendance rates</p>	
<p>3. To remove barriers to school attendance</p>	<p>A. Trying to ensure attendance through organising travel arrangements - Teacher Aides / 2 per car. Picking up students where needed. All our staff to be involved, aware and building on the relationships with At Risk students. Developing an understanding of what prevents students from attending so that we can put supports in place</p>	<ul style="list-style-type: none"> • Having all healthy students at school each day • Barriers are removed that stop students from attending school 	<ul style="list-style-type: none"> • More regular attendance of at-risk students • Systems put in place to remove barriers to school attendance 	
<p>4. To regularly inform parents of attendance rates for students</p>	<p>a). To analyse school wide attendance data at syndicate and SLT level b). Attendance to be communicated formally with whaanau 2x a term if below 90% c). Explain at risk attendance clearly on Mid and end of year reports.</p>	<ul style="list-style-type: none"> • All staff know about at-risk students and try to provide extra support if possible • Letters will go out to all families with less than 90% attendance in weeks 5 & 10 • Whaanau are well-informed of the attendance rates of their children. • Reports will clearly show at risk students 	<ul style="list-style-type: none"> • Attendance rates improve • Extra support put in place for at-risk students if needed • Parents have a better understanding of the impact when their children are away from school from letters and school reports • We have a clear system for communicating attendance rates to whaanau 	
<p>FG = Focus Groups, LT = Leadership Team, SY = Syndicates, CT = Classroom Teachers, Stu = Students ASL = Across School Leaders, WSL = Within School Leaders</p> <p>  Not on track (likely to fail)  At risk  On track  Completed </p>				

Māori Target

There are 14 students we are targeting who are Māori. The target for these students is the same as the target for all students.

These students are included in the main totals.

<u>Year One</u>	2
<u>Year Two</u>	4
<u>Year Three</u>	1
<u>Year Four</u>	1
<u>Year Five</u>	5
<u>Year Six</u>	1

Teaching and Learning Programme development and focus

This year we will continue to align our finalise implementation plan, assessments and teacher practice raise student achievement. Teams will use the progressions, assessment data, moderation, and deliberate acts of teaching to raise and measure student achievement. Teachers are trialling SOL and Structured literacy approaches in their teacher practice.

Baseline Information (Historical)

O.T.J.s and a range of data from the end of the 2024 indicated our areas of need throughout the school. The students have been identified by name and we will track their individual progress throughout the year.

Achievement Target – 2025 Curriculum Area: READING data is from end of year reports.

Target for improving student achievement

Our overarching target is for 60% of target students to achieve expected or accelerated progress by the end of the year.

Year 1- 12 students in this cohort are Below or Well Below.

Year 2- 8 students in this cohort are Below or Well Below.

Year 3- 3 students in this cohort are Below or Well Below.

Year 4- 6 students in this cohort are Below or Well Below.

Year 5- 3 students in this cohort are Below or Well Below.

Year 6- 6 students in this cohort are Below or Well Below.

In total, including 14 Māori students, there are 38 target students, in READING.

Link to Strategic Planning

Strategic goal: To build student capability, confidence and agency through living our vision, and increasing knowledge to accelerate achievement in Mathematics & Statistics and English.

Ongoing Assessment

Individual formative assessment evident.
Self and peer assessments.
Syndicate moderation and discussions.
Summative assessments.
PATS-Reading
Comprehension, Reading Vocabulary, formal writing samples, Probe, PM Running Records, MOE phonics screening tool.
N.Z.C.E.R. marking and analysis of tests.

Review

In Term Two and Four using curriculum standards data and test results, review progress made. Have we met our target? Have children made progress? What percentage are still below where we want them to be? Others at risk? Analyse results and identify areas for future development.

Community Involvement

Celebrating success in school newsletter across a range of areas. Examples of student work shown on SEESAW and at parent interviews. Homework activities & online homework tasks. Open feedback/dialogue with parents.

Professional Development

Junior, middle and senior school Structured literacy PLD
Intensive work as teams and linked to growth cycle
Staff sharing and professional discussions around best practice in syndicate meetings. Staff sharing of identified children and their progress during syndicate meetings. Professional readings as appropriate. Analysis of data and professional discussions in staff meetings.
Reminders in the use of the N.Z.C.E.R. tool.

Reporting

To Community: Via Reports, See Saw, Interviews and student centred learning conversations.
To Learners: through specific learning objectives, success criteria and feedback, goal setting.
To BOT: Via data at end of the year and Target Analysis.

Resourcing

Funding support available through appropriate channels within the school.
BSL - Better Start Literacy Structured Literacy intervention.
ALL - Literacy Support

Achievement Target – 2025 Writing: data is from end of year reports.

Target for improving student achievement

Our overarching target is for 60% of target learners to achieve expected or accelerated progress.

Year 1 - 12 students in this cohort are Below or Well Below.

Year 2 - 6 students in this cohort are Below or Well Below.

Year 3 - 4 students in this cohort are Below or Well Below.

Year 4 - 22 students in this cohort are Below or Well Below.

Year 5 - 18 students in this cohort are Below or Well Below.

Year 6 - 33 students in this cohort are Below or Well Below.

In total, including 16 Māori students, there are 95 target students in WRITING.

Link to Strategic Planning

Strategic goal: To build student capability, confidence and agency through living our vision, and increasing knowledge to accelerate achievement in Mathematics and English.

Reading Maaori Target 2024

2024

Year One- 3

Year Two- 1

Year Three- 1

Year Four- 4

Year Five- 1

Year Six- 2

There are 12 students we are targeting who are Maaori.
The target for these students is the same as the target for all students. These students are included in the main totals.

2023

Year One- 3

Year Two- 1

Year Three- 4

Year Four- 0

Year Five- 2

Year Six- 0

There are 10 students we are targeting who are Maaori.
The target for these students is the same as the target for all students. These students are included in the main totals.

Ethnicity	Insufficient Progress Less than 1 year progress	Expected Progress 1 year progress (½ Curriculum Level)	Accelerated Progress More than 1 year progress	Total of expected / accelerated Progress
Maaori	2	1	7	8/10 80%

Gender Target Reading Results:

Note: Important to note, Gender data here is not representative of all children on the target list from 2022 to 2023 as this information was not collected last year, therefore, this data is reflective of end 2023 data only. Next year we should be able to show more of a trend picture in this space. Also, with the 2022 end of year data not present, we are unable to show the true accelerated progress from those learners who are no longer targets as that data is not present. Going forward we will have this information. **This table is reflective of 2024 Term 4 end of year data.**

Gender	Insufficient Progress Less than 1 year progress	Expected Progress 1 year progress (½ Curriculum Level)	Accelerated Progress More than 1 year progress	Total of expected / accelerated Progress
Male	4	4	6	10/14 71%
Female	7	2	8	10/17 59%

Writing Target 2024

Target for improving student achievement

Our overarching target is to move all children on the target list more than ½ a curriculum level in one year, or to AT by the end of the year.

2024

Year 1- 9% (5/58) students in this cohort who are Below or Well Below.

Year 2- 6% (4/67) students in this cohort who are Below or Well Below.

Year 3- 37% (22/60) students in this cohort who are Below or Well Below.

Year 4- 25% (17/67) students in this cohort who are Below

2023

Year 1- 8% (5/62) students in this cohort who are Below or Well Below.

Year 2- 9% (5/55) students in this cohort who are Below or Well Below.

Year 3- 26% (18/69) students in this cohort who are Below or Well Below.

Year 4- 22% (16/72) students in this cohort who are Below

or Well Below.
Year 5 – 44% (33/75) students in this cohort who are Below or Well Below.
Year 6- 29% (18/63) students in this cohort who are Below or Well Below.
 In total, including 17 Maaori students, there are 89 target students in WRITING.

or Well Below.
Year 5 – 48% (30/62) students in this cohort who are Below or Well Below.
Year 6- 24% (15/58) students in this cohort who are Below or Well Below.
 In total, including 17 Maaori students, there are 89 target students in WRITING.

CURRICULUM DELIVERY AT TAMAHERE MODEL COUNTRY SCHOOL ...

A river needs banks to let it flow. No banks and you have a flood plain - water all over the place. Jay Mc Tighe. Our Tamahere Model Curriculum Structure! - teaching with depth and purpose.

Vision without action is merely a dream. Action without vision just passes the time. Vision with action can change the world. Joel A. Barker

The Guiding Principles With the Tamahere Topics embody a rich context of authentic and meaningful learning in which many curriculum objectives can be covered. The leadership team ensures coverage of curriculum objectives by setting the main objective(s) each term. Assessment will be covered through this method. We honour the disciplines of each curriculum area through this process.

- Our learning programmes are culturally inclusive and encompass the vision, key competencies, principles and values.
- Where possible, learning areas will be integrated within the classroom programme with attention to our localised curriculum and coverage. This includes Aotearoa histories, local legends and stories and the Treaty of Waitangi principles.
- Our school is a Model Country School and supports the development of our student teachers through the CUSP programme. This is an integral part of our school culture.
- Literacy and Numeracy will be given the majority time in years one-four.
- Teachers promote a supportive learning environment that encourages active engagement, learner agency and collaboration for student and teacher learning. PB4L is part of the Tamahere School curriculum.
- Our school fosters positive and collaborative relationships with whaanau.
- Our school promotes differentiated learning opportunities and flexible grouping of students - needs-based, interest and social.

- Specialised programmes will be provided for Gifted & Talented and Special Needs. Refer to G.A.T.E. & Special Needs procedures.

New Zealand Curriculum Statements:

- *The key competencies are both an end and means. They are a focus for learning – and enable learning. (p38)*
- *“None of the strands in the required learning areas are optional, but some learning areas, particular strands may be emphasised at different times or in different years. (p38) Schools should have a clear rationale for doing this and should ensure each strand receives due emphasis over the long term.”*
- *Future Focused issues are a rich source of learning opportunities:- Sustainability, citizenship, enterprise, globalisation.*

Implementation of the T.M.C.S. Curriculum enacts the expectations outlined to NAG 1, NAG2, 2020 and The Statement of National Education and Learning Priorities (NELP). [NELP](#)

Planning for Learning and Assessment

Each teacher / syndicate is accountable for:

- Developing unit plans based on student needs, interests and abilities showing depth and breadth across the curriculum.
 - Syndicates will develop a template to be used by all teachers, to ensure a consistent approach to the deliberate design of learning programmes.
 - In addition to this document, the school has implementation plans for Literacy, Numeracy and other curriculum areas.
 - Daily and weekly plans are aligned with unit plans.
 - A timetable which demonstrates curriculum allocation.- Weekly timetable displayed in the classroom. Daily flexibility shown in personal plans.
- Developing syndicate term overviews:
 - Shared with students, parents and the Board.
- Provided requirements are met, teachers are free to plan and record in ways that best suit themselves.
- Developing a team newsletter for each term to be sent home to parents.
- Ensuring reflection is a critical part of the teaching, learning and assessment cycle.
- Class information for relievers is kept in a classroom file in the Office. All relievers will collect this folder on the day of their relief teaching.
- Ensuring a range of assessment practices are used to:
 - Develop meaningful learning programmes to improve the outcomes for students
 - Provide both an 'ongoing and snapshot' of student progress and achievement across the curriculum

- This will include:
 - Diagnostic (before), Formative (ongoing), Summative (snap shot), and Evaluative / Reflective.
 - Ongoing, continuous feedback and feed-forward given throughout the teaching and learning process.
 - Assessment information for improving learning and teaching will be shared with students, staff, parents and the Board of Trustees.
 - Self-assessment, which enables students to monitor their own progress.
 - Peer assessment which helps to improve learning and to develop social and cooperative skills.
 - Moderation to ensure OTJ's are valid and reliable.
 - Evaluating pupils' needs, abilities and interests, to develop appropriate programmes.
 - Teacher assessment, in which progress and achievements are recognised, difficulties diagnosed, and strategies to overcome them are planned.
 - Individual cumulative files- (green folders) showing ongoing progress and achievement. These are passed onto the next teacher before the end of the school year to support a smooth transition.
 - Mid Year and End of year written reports in relation to the National Curriculum expectations and other learning areas.
 - Parent-teacher interviews in Terms One and Three.
 - Teachers will have their own data/assessment records including anecdotal notes and observations.
 - Many assessments, as per the Tamahere Model Country School Assessment plan, will be entered onto '**Edge**', our school's SMS.
 - Refer to the Tamahere Model Country School Assessment plan.
 - Recording any behaviour incidents on Edge in alignment with PB4L procedures.

IDENTIFICATION OF STUDENTS AND GROUPS OF STUDENTS

N.A.G. 1, 2020

Using a range of quality assessment information and evaluative procedures...

c. through the analysis of good quality assessment information*, identify students and groups of students:

1. who are not progressing and/or achieving;
2. who are at risk of not progressing and/or achieving;
3. who have special needs (including gifted and talented students); and
4. aspects of the curriculum which require particular attention;

d. develop and implement teaching and learning strategies to address the needs of students and aspects of the curriculum identified in (c) above;

e. in consultation with the school's Māori community, develop and make known to the school's community policies, plans and targets for improving the progress and achievement of Māori students;

* Good quality assessment information draws on a range of evidence to evaluate the progress and achievement of students and build a comprehensive picture of student learning across the curriculum.

**Appendix:-
Curriculum**

- Tamahere Topics overview
- Tamahere Model Country School events calendar

Assessment

Assessment 2025

- Assessment overview for the current year
- Our Expectations of Student Achievement in relation to the National Curriculum expectations and other learning areas.

Our Vision – Principles and Values:-

All teaching and learning practices at our school need to be guided by our School's Vision, Principles & Values along with those of the New Zealand Curriculum. (p 8-10)

Key Competencies

- We do all of these all the time but we do a deliberate act of teaching (D.A.T.) focus each term

Participating & Contributing
Managing Self
Relating to Others
Thinking
Languages / Symbols & Texts Each Term

Literacy & Numeracy

For all students to be achieving at or above their expected National Curriculum Standard.

Tamahere Topics

Main – Teaching / Learning / Assessment Area

Big Ideas

Each term the Tamahere Topic will be guided by the **BIG IDEA** and the **concepts** linked to these ideas.

THE SECTION IN THE ROW BELOW IS UNDER REVIEW FOR 2023

Relationships Whanaungatanga	Change	Communication	Structure/Systems
<i>The way in which two or more things are connected, or the state of being connected and the factors that</i>	<i>Change is to transform or be different. Focus on the nature of change, how and why</i>	<i>Explore the ways in which people communicate in our world- in the past, present and future.</i>	<i>To identify and analyse how interconnecting groups are arranged and how they influence each other.</i>

<i>influence the nature of connection.</i>	<i>it occurred and the impact it had.</i>		
--	---	--	--

School Wide 'Rocks'

Nurturing Our Future - Growing Together
 Kia atawhai aa mua - Kia tipu ngatahi

2024 TMCS Performance Data

This report supports the end-of-year target and Analysis of Variance report that is due March 2025, which outlines the results of our targeted learners for 2024, the actions taken and the plans for 2025.

Since the beginning of 2018, National Standards reporting has been abolished. This has removed the requirement to report to the Ministry of Education against the National Standards for the end of 12, 24 and 36 months as well as the end of Years 4, 5 and 6. However, we have still chosen to report to our families and the Board using what we call the *curriculum standards*. At Tamahere Model Country School, our END OF YEAR expectations are:

Year Zero	Year One	Year Two	Year Three	Year Four	Year Five	Year Six
<u>Reading</u> Level 1-9 <u>Writing</u> Level 1B <u>Maths</u> Beginning Level One	<u>Reading</u> Level 12-14 <u>Writing</u> 1P <u>Maths</u> Early Level One	<u>Reading</u> Level 17-18 <u>Writing</u> 1A <u>Maths</u> At Level One	<u>Reading</u> Level 21-22 <u>Writing</u> 2B <u>Maths</u> Early Level Two	<u>Reading</u> Level 25: 9.0-9.5 years <u>Writing</u> 2A <u>Maths</u> At Level Two	<u>Reading</u> Level 27: 10-10.5 years <u>Writing</u> 3B <u>Maths</u> Early Level Three	<u>Reading</u> Level 29: 11-11.5 years <u>Writing</u> 3A <u>Maths</u> At Level Three

Reading Year One-Six These results exclude Year Zeros

Reading - Tm4 - 2024 - 100% Bar Chart

Filtered By: Year 1,Year 2,Year 3,Year 4,Year 5,Year 6

2024

- Reading results show that for all year levels, 90% of our students are AT or ABOVE (including WOBBLY ATS).

2023

- Reading results show that for all year levels, 91% of our students are AT or ABOVE (including WOBBLY ATS).

2022

- Reading results show that for all year levels, 91% of our students are AT or ABOVE (including WOBBLY ATS).

2021

- Reading results show that for all year levels, 85% of our students are AT or ABOVE (including WOBBLY ATS).

2020

- Reading results show that for all year levels, 92% of our students are AT or ABOVE (including WOBBLY ATS).

Writing Year One-Six These results exclude Year Zeros

Writing - Tm4 - 2024 - 100% Bar Chart

Filtered By: Year 1,Year 2,Year 3,Year 4,Year 5,Year 6

2024

- Writing results show that for all year levels, 74% of our students are AT or ABOVE (including WOBBLY ATS).

2023

- Writing results show that for all year levels, 79% of our students are AT or ABOVE (including WOBBLY ATS).

2022

- Writing results show that for all year levels, 74% of our students are AT or ABOVE (including WOBBLY ATS).

2021

- Writing results show that for all year levels, 78% of our students are AT or ABOVE (including WOBBLY ATS).

2020

- Writing results show that for all year levels, 77% of our students are AT or ABOVE (including WOBBLY ATS). This is down from 2019 and an area we will need to invest more support in for 2022. Potentially this is an area of learning that COVID 19 may have had an impact on.

General Statements:

2024 Overall Results for Reading, Writing, and Maths

For all year levels, the percentage of students Above, At or Wobbly At are:

Reading - 90% 2024 including Year Zeros (91% 2023, 91% 2022, 85% 2021, 92% 2020)

Writing - 74% 2024 including Year Zeros (79% 2023, 74% 2022, 78% 2021, 77% 2020)

Maths - 74% 2024 including Year Zeros (79% 2023, 79% 2022, 74% 2021, 82% 2020)

Summary of trends:

The 2024 reading data shows a slight decline from 91% in 2023 to 90% but remains consistent over recent years. Writing achievement dropped notably from 79% in 2023 to 74%. Girls continue to perform better than boys in this area. In maths, achievement fell from 82% in 2020 to 74% in 2024, with boys maintaining higher achievement than girls.

For Māori students, achievement has generally dropped. Reading decreased from 85% in 2023 to 79% in 2024. Writing fell from 71% to 65%, while maths saw a large drop from 74% in 2022 to 51% in 2024.

Attendance remained relatively stable with a slight decline, from 89% in 2023 to 88% in 2024.

Areas of Strength

- Reading results across most year levels are strong, with 90% of students across all year levels ATt or ABOVE the standard. Year 2 and Year 3 cohorts have strong achievement at 93%. Boys (89%) and girls (90%) are almost equal.
- Māori students' reading scores (73%) have slightly declined but remain a relative strength compared to other learning areas.
- Writing in Year 1 and Year 2 is strong at 91% and 94% respectively. There is a small improvement in boys' writing achievement from 64% (2022) to 65% (2024).
- Girls continue to outperform boys in writing with 86% AT or ABOVE the standard.
- An improvement in Boys writing from 64% (2022) to 65% (2024) AT or ABOVE the standard..

Areas to Target

- Writing achievement drops after Year 2, especially in Year 5 (54%) and Year 6 (61%). The transition between year levels with no “wobbly ats” in Years 3 and 5 is a challenge.
- Overall Maths achievement has plateaued at 74%, reflecting a decline from previous years 79% (2023), 79% (2022), 74% (2021), 82% (2020). Māori students' Maths results have continued to drop from 74% in 2022, 63% in 2023 to 51% in 2024.
- Boys lag behind girls in Writing (65% vs. 86%) and outperform girls in Maths (81% vs. 70%).
- Māori students have experienced a decline in both Writing (68%) and Maths (51%) compared to 2022 and 2023.

This is one angle of data analysis that presents one picture. Staff also consider other forms of analysis to identify strengths, success stories and areas of need with data. Some of these are qualitative and not so easily measured using numbers. Examples include: student voice (motivation, how they see themselves as learners).

Basis for Identifying Areas for Improvement

The data highlights key areas to be targeted, particularly in writing and maths, with a specific focus on addressing gender and ethnic disparities. While reading remains a strength, writing and maths requires a focused attention.

Planned Actions for Lifting Achievement

- **Embed the School Vision**
 - Ensure all staff use a common language and have consistent high expectations for all learners.
 - The school vision continues to form the bases of how we do things.
- **Increase Confidence, Knowledge, and Skills in Mathematics:**
 - Ensure all students engage in an hour of maths daily, maintaining consistent and structured lessons aligned with the New Zealand Curriculum (NZC).
 - Implement a systematic teaching sequence to build foundational skills and progresses to more complex maths tasks across year levels.
 - Develop students' confidence and assessment skills through self and peer assessment, along with feedback opportunities to promote reflection and growth.
 - Provide small, manageable learning chunks and additional support for at-risk ākonga, such as participation in the Accelerated Learning in Mathematics (ALiM) program. Increase opportunities for teacher aide support and one-on-one instruction to accelerate learning.

- Teachers and students will become familiar with and integrate Prime Maths resources into classroom instruction to support learning.
 - Organise PLD focused on using Prime Maths resources and strategies to improve maths outcomes across all year levels.
 - Teacher aide support into the classroom.
-
- **Increase Confidence, Knowledge, and Skills in Reading, Writing, and Oral Language**
 - Ensure all students participate in an hour of reading and writing daily, maintaining consistent and structured lessons aligned with the New Zealand Curriculum (NZC).
 - Use a systematic teaching sequence that builds foundational skills and progresses to more complex writing tasks across year levels..
 - Grow student confidence by teaching students how to self-assess and peer-assess effectively, and provide regular feedback to support their growth as writers and readers.
 - Support at-risk ākongā with targeted interventions like the Accelerated Learning in Literacy (ALL) program.
 - Break learning into achievable, manageable chunks to prevent students from becoming overwhelmed and to build confidence gradually.
 - Teachers and students will utilise Structured Literacy resources to support reading and writing development.
 - Organise PLD on Structured Literacy to deepen teachers' understanding and knowledge in supporting students' reading and writing learning.
 - Increase teacher aide support into the classroom.
 - STEPS for at risk students.
-
- **Teachers have a deep understanding of the curriculum and are able to use effective teaching strategies, improving student achievement in reading, writing, and maths.**
 - Break down the NZC descriptors into child-friendly language so that students can understand their own learning journey and the expectations set for them.
 - Provide modelled lessons and observation opportunities for teachers as part of the PGC, allowing for ongoing reflection and development of teaching practices.
 - Continued PLD focused on the Science of Learning to develop teachers' knowledge of how students learn best, particularly in the areas of reading, writing, and maths.
 - Track the progress of a sample of students at different achievement levels and evaluate the effectiveness of acceleration strategies.
 - Small group intervention from senior leadership and across school leaders.
 - In school leaders to work with teachers to grow teacher knowledge and practice.

- **Māori students to feel capable and confident as Māori.**
 - Identify target learners and track their progress using syndicate and whole-school strategies to accelerate learning.
 - Differentiate teaching focus to meet the learning needs for all students.
 - Embed Māori histories, values, and narratives into learning areas to create a safe and connected learning environment.
 - Implement the Te Reo Māori Plan with 30-minute weekly lessons, kapa haka participation, and extension classes.
 - Consult with whānau to understand and respond to Māori learners' needs.
 - Strengthen connections with Ngāti Hauā, including regular marae visits, local stories, and tikanga practices.
 - Create spaces for Māori students to lead and have their voices heard.

The Statement of National Education and Learning Priorities (NELP) & Tertiary Education Strategy (TES)

The Statement of National Education and Learning Priorities (NELP) and the Tertiary Education Strategy (TES) are issued under the Education and Training Act 2020.

The NELP must be consistent with the objectives for education. These are: helping children and young people to attain their educational potential; preparing young

people for participation in civic and community life and for work, and promoting resilience, determination, confidence, creative and critical thinking, good social skills and the ability to form good relationships; and helping children and young people to appreciate diversity, inclusion and Te Tiriti o Waitangi.

The TES must set out the Government's long-term strategic direction for tertiary education, including economic, social and environmental goals, and the development aspirations of Māori and other population groups.

One of the purposes of the Act is to establish and regulate an education system that honours Te Tiriti o Waitangi and
