## **Calling for all keen Year 1 and 2 Netballers Any level and stage**

Would you like to come and learn some fundamental netball skills?

Last year we had a wonderful group of parents, who offered their Friday afternoons to facilitate and teach netball skills. These parents provided their time and skills, to teach our Year 1 and 2 students about the basic skills of netball.

This year, we would like to offer the same format. Forms will go home with students who are interested in joining the netball skills session, this week. **If you are interested, please return your form to Miss Monica Redman in Tawa 19 by the end of Week 9. If a form did not make its way home, please collect one from the school office.**

**Please note, this skills session unfortunately will not go ahead unless we do have a parent(s) to coach it.** At this stage we have tentatively booked the courts by the pool on Fridays from 2.30-3.30pm (however, this day is flexible) for whoever wants to take on the training element. I do know Friday afternoons worked well for this age group last year. We have also booked the Tamahere Community Centre (TCC) should it be wet.

With it getting cooler in the morning and children starting to wear their jerseys and jackets to school, now is a great time to check that they are all named, as often the names fade in the wash over time.

## Brazilian Jiu Jitsu Classes for Children at Grassroots Velodrome

Cambridge Jiu Jitsu Club has recently launched a new Brazilian Jiu Jitsu program for children, based at the Grassroots Velodrome. Classes are held on Tuesdays and Thursdays, with two age-specific groups: one for children aged 5-7, and another for those aged 8-13. This is a fantastic opportunity for young people to build essential skills like self-confidence, resilience, strength, and discipline.

The club is particularly passionate about encouraging girls to participate in Jiu Jitsu, as it provides them with valuable self-defense skills and teaches them to effectively handle situations where their opponent may be larger or stronger.

Come and get your creaky or cracked furniture repaired under the guidance of a furniture restoration specialist at our community repair-cafe style event! No more squeaky chairs! The aim is to promote sustainability, reduce waste, and upskill participants in furniture restoration techniques. This event offers a practical solution for upcycling old furniture that would otherwise end up in landfills, while simultaneously fostering a sense of community and environmental responsibility.

Tickets are \$5 each - Places are limited so book your place so you don't miss out! [GET YOUR TICKETS HERE!](#)
