### Wiki/ Week 1 Happenings:

#### Welcome back everyone!

We hope you were able to get out and about with your children/tamariki despite the significant amount of rain that fell over the holiday break. We are straight back into the learning and teaching of Term 3, and hopefully you have all picked up your children's reports from school bags this week. Please follow the link to book your conference times. It would be wonderful to have 100% communication and a united approach to support your tamariki in their learning.

### LEARNING CONFERENCES - Wednesday 23rd & Thursday 24th July

Please remember to **book your Learning Conferences before Monday afternoon**, so that our teachers can be organised for next Wednesday & Thursday. To date, 82% of our students are booked in, but we would love that to be as close to 100% as possible.

And another reminder that **our teaching day ends early at 1.00pm next Wednesday 23rd July.**

Please book your Learning Conference times by clicking on one of the links provided below.

#### Learning Conference link:

<https://www.schoolinterviews.co.nz/code/5nuez>

Please book the time that you require with your child's teacher. We suggest you allow gaps between your different children's interviews to allow time to get from room to room.

If you do not have access to the internet or if you require any assistance with your booking, please contact Lisa at the school office on 856 9238.

**Kahikatea Library** - At 1am on Sunday morning, our cleaners found water flowing through our wonderful historic Kahikatea Library. A pipe had burst in the boys toilets and we have had extensive water damage. At present the library is out of use. Luckily no books were on the floor but the library cannot be used. The toilets and foyer area will need significant time out while being fixed and we are unsure how long the library will be out of action. Mrs Kewish has turned herself into a mobile library service and now takes a trolley of books around to classes during library times to ensure the circulation of books and love of reading isn't impacted. Thank you Mrs Kewish!

## THANK YOU TO OUR PHENOMINAL P.T.A!

As the PTA tidied up its financial year recently, we reflected back on the achievements and massive input they have achieved for our school/kura.

Apart from the community-building events such as Pumpkin Night, Golf Day and the Ball, supporting with activities such as staff dinners and Ag Day, the PTA transferred **\$55,000** to our kura in the 2024/2025 financial year. These funds have been used on the following projects that otherwise would not have been able to happen.

- **Kapa Haka uniforms - \$10,500** - for our wonderful performing roopuu/group
- **Blackout blinds - \$14,000** - for classroom comfort and viewing of screens, and importantly for safety and security during a possible lock down,
- **Shade Sails - \$30,000** - to give shade in our senior area which a massive oak once provided, and to protect our juniors playing in their sand pit from the direct sun.
- **Boom Boxes - portable toilets - \$500** - for classrooms in case a lockdown occurs.

## AGAIN THANK YOU!!!

In spite of the weather, on the first Saturday of the holidays, **Shaun Thompson** and his small team of Dad's Army helpers, worked tirelessly to dig a shallow trench to lay cabling to **install secure Wifi** to our STEAM (Science, Technology, Engineering, Arts and Mathematics) room and Ware Maire, our Multi Purpose Shed. Great work everyone who came along to help out, especially to Shaun, **Matt Adams** and **Brendan Russo**! Our aakonga/students will be so happy to now be able to research and use the internet to find out how to support and achieve their challenges.

To have skilled parents able to help us out and reduce the cost of projects is just fantastic and means we can provide better facilities and learning for all of our students/aakonga.

**Do you have any skills you may be able to help us with?** or maybe you know of grandparents and other whaanau and friends with time and skills to share.

- **Landscaping skills, gardening, building, roofing, pothole filling! computing, chess, knitting etc.**
- Would you have time to manage our **lost property** and keep it flowing out the door and keep things clean and dry, rather than going mouldy in the corner.
- **Spelling and reading helpers, book filing, library helping.**
- We would be keen to hear from anyone who has some time or talents to share.
- **Any help is much appreciated.**

***Together As One! Confident Can Do Kids! Honour Be Your Guide.***

## WHAKATAU WELCOME:

We welcomed eighteen new students and their whaanau, both current and new at our Whakatau on Monday. This is a lovely way to welcome and introduce all of our new students/aakonga to the school. We were very proud of our Kapa Haka Roopuu and our leaders, who led with karanga, waiata and our haka.

We hope you have a very happy and successful time at our school: **Maddie S, Janvin M, Dylan G, Bradley G, TJ vdB, Thomas vdB, Dylan W, Asa W, Scarlett S, Danny R, Eli P, Micah M, Alivia P, HugoD, Emily O, Henry R, Asher W, Lilian L!** We also welcomed **Mrs Janine van den Berg**, who joined our teaching staff along with **Donna Pike** and **Rachael Thomas** who have joined us as Teacher Aides.

Please click [here](#) to view the Photo Gallery for the Whakatau.

### A few Reminders -

**No Jewellery! No necklaces**, bangles etc are to be worn at school. Special cultural taonga may be worn with permission, at the written request of whaanau. **Only stud earrings** for safety, nothing that could get caught and cause damage to young earlobes, as they are running about playing together.

**Wifi Warning** - All of our Pirongia and Maungatautari students/aakonga took home a Wifi warning notice for parents with their reports this week. If you didn't see this, here is the link. [Social Media Warning letter](#). Taupiri parents may be interested as your children are getting older, to think about how you are going to manage home computer use. This is an area that many families grapple with as they did not have to worry about these issues when they were at school.

**Change of clothes for playing on the fields:-** Our fields are incredibly wet as you can imagine. Any aakonga wanting to play on the fields during break times should be bringing a separate set of clothes so that they can be dry and clean in the classrooms.

## Year 5 and 6 Parents/Caregivers:

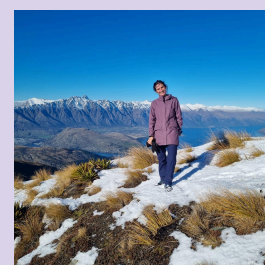

Your child has the opportunity to take part in another Kiwi Competition - this one is the **Kiwi Spelling Bee**. It assesses aspects of English grammar, spelling, and vocabulary relevant to the student's year level. The test will be administered later in Term 3. If your child is keen to take part, please see Mrs Mossop in Karaka 15 for a permission form. Like the other tests the cost is \$9.90, payable to the office and due by next Wednesday, 23rd July.

## NEW STAFF INTRODUCTIONS:

Hi, I'm **Rachael Thomas**. I'm excited to join the school as a teacher aide. My background is in swim coaching, and I have a passion for helping others and motivating students. I have two children, and we spend a lot of time together on the farm, getting messy. I also enjoy hiking and gardening.

Kia Ora, my name is **Briana Vette** and I am lucky enough to be a part of the After School Care team here at Tamahere. A little bit about myself, I have just returned back to New Zealand earlier this year after spending two years travelling with my partner. We were lucky enough to visit 27 countries across 3 different continents before making our way back home. Prior to our travels, I worked as an Engineering Geologist while also teaching dance in my spare time. Now that I am back home I am excited to be pursuing a new career pathway. I am currently studying a Postgraduate Diploma in Primary Teaching at the University of Waikato and I am really looking forward to this next chapter. I look forward to getting to know everyone as the year goes on!

## PTA MEETING REMINDER:

Would you like to meet twice a term and help support our school? If yes, please come along to the Staffroom at **7.00pm next Tuesday 22nd July** to join in with the PTA. We are an informal group of mums and dads, who work together to fundraise for school improvements.

**Week 4 is Aotearoa School Library Week in New Zealand.** It is an annual celebration of school libraries. The week aims to raise awareness about the importance of school libraries, acknowledge the work of library staff, and promote reading and literacy.

**Together As One! Confident Can Do Kids! Honour Be Your Guide.**

## AG Day 2025

We have started the planning cycle for **Agricultural Day 2025**, which will be held on **Thursday 9th October** this year. Details about what Ag Day involves can be found on the school website, by [clicking here](#).

In order for this day to go ahead, we require a lot of parent support to organise and run the animal events. There are plenty of tasks involved, large and small so even if you can only pick up something small, any offers of help are welcomed. This year we are looking for someone to assist with running the poultry segments, so please reach out if you can help in this area.

Any parents who are keen to be involved in planning and coordinating the day, please [email agday@tamahere.school.nz](mailto:agday@tamahere.school.nz).

## Learn to Raise A Calf On A Working Farm

Roger Duncan, a local dairy farmer and ex parent of Tamahere School, has a very generous offer to support any children who would like to raise a calf for Ag Day but are unable to have their calf at home. Roger's farm is on Pencarrow Road, just 5 minutes from school.

Roger is happy for any children who are keen and dedicated to learn, to visit his farm after school (as many days as they are able to, and could just be for half an hour, if that's all you have time for) to feed and practice their leading in his pen. He will assist with knowledge on rearing and leading.

Roger is then able to assist with bringing the calves to school on Ag Day and returning them to his farm afterwards.

If you would like to take up the opportunity please email [agday@tamahere.school.nz](mailto:agday@tamahere.school.nz) and we can put you in contact.

## Community Brief: Birchwood Lane Traffic Calming Concerns

Following a recent meeting with Council regarding the installation of traffic calming measures on Birchwood Lane, we are compiling responses to take to Council as part of a formal community submission. We encourage all residents to participate in shaping a plan that reflects the majority's voice. We are open to suggestions and ideas and encourage all respondents to recognise that we wish for this to remain a cordial and respectful exercise.
