Wiki/ Week 8 Happenings:

I hope many of you were able to enjoy a long weekend with your tamariki due to our Teacher Only Day on Monday. The extra day to take a break, seems to have really helped to achieve more settled classes and more refreshed children across our school. We appreciate that having extra days away from school can be very challenging for some families with less flexible work arrangements. We apologise again for the impact on you and thank you for enabling all teaching staff to be able to attend the Ministry's second day focusing on the new Mathematics and Statistics Curriculum. We like the new structure and clarity of the new curriculum, however, we are still keenly awaiting the new assessment and reporting information, which will help us to bring our teaching and learning programmes together.

Congratulations to all our students/aakonga who represented us last week at the many different events. We are all so proud of you. There are write ups and pictures to follow sharing some of our teams and their achievements.

28 of our Year 4, 5, & 6 students represented our school at the **City Cluster Cross Country** on Thursday 4th September. Our team did very well. Results and photos will be shared in next week's newsletter.

AG DAY CHANGES

This year, we're changing things up for students flying solo without an animal buddy. Get ready for a week packed with farm-tastic learning! On Ag Day Thursday, students start their morning with a lesson of their choosing, diving deep into the world of agriculture. After soaking up all that green goodness, it's off to admire the animal parade, wrapping things up back in their groups by the end of the day.

That means that this year there will be no need to purchase and bring items to school. Your child's teacher may ask for a donation of empty boxes or other recycled items. They will be sure to give you plenty of notice.

Te Oko Horoi Kapa Haka Festival

Our Kapa Haka Roopuu were magnificent last Friday. They performed beautifully with kia mai confidence and volume, kia manaaki pride and mana and kia kotahi togetherness and precision! **Ka pai! Ka mau te wehi! Brilliant - well done!** We were so proud of you all. Our roopuu looked impressive with our beautiful performance uniforms - recently topped up in numbers by the PTA, due to having almost 70 performers. A wonderful event with so many spectators and performers juggling in and out of rooms to allow everyone to shine. I did take video footage, but we can't seem to make it work for you.

WACKY WIG WEDNESDAY

Please show your support for the *Child Cancer Foundation* by joining us for the **TMCS Wig Wednesday** next Wednesday **10th September**.

Simply wear your favourite wig or colourful clothing to school next Wednesday and bring along a cash donation to support this wonderful cause.

HOW TO ENTER AN ANIMAL?

Every child that wishes to enter an animal into Ag Day will need to complete an entry form. The links to do this are below. PLEASE NOTE: **entry forms will need to be completed by the end of this week**, to allow for data to be collated, number of judges requested, and ribbons ordered.

Please email agday@tamahere.school.nz if you have any questions.

Any child who wishes to enter must complete an entry form. Entry forms can be found using the link below: [Link to Ag Day Info & Entries](#)

Chickens, Poultry and Caged Animals on for 2025!

We have managed to get some volunteers to help out with the poultry and caged animal section for 2025. Thank you to Cara Lauder and Lisa McCosh for putting their hands up.

Look out for next week's newsletter for those who wish to enter the raising chickens section, and do not already have some chicks.

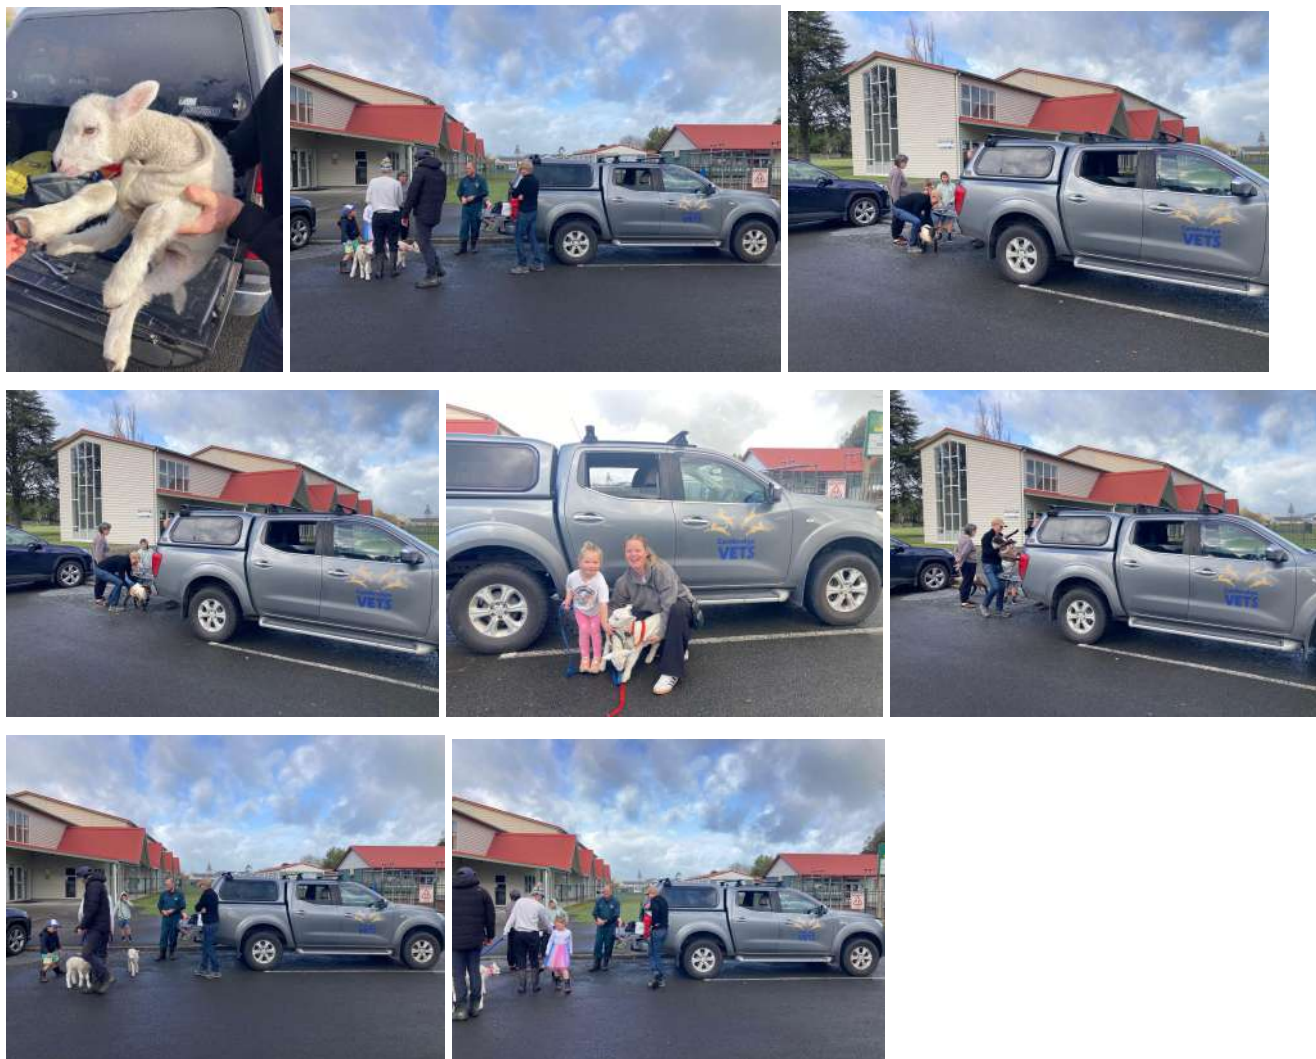

Any child who wishes to enter must complete an entry form. Entry forms can be found using the link below: [Link to Ag Day Info & Entries](#)

Thank You Cambridge Vets!

A special thanks to Cambridge Vets and Kelvin Scown, who kindly sponsored our free Vet Health Check last Saturday morning, providing free vaccinations, health checks, advice, tail docking and castration of lambs.

Vege Garden Competitions Timeframe:

The Vege Garden competition opened on Saturday 23rd August 2025. Gardens must be started on or after this date, and can run until judging. PLEASE NOTE, changes to the layout of the vege garden competition have been made for 2025. **Entries will now be judged in NOVEMBER 2025**, with winners announced at an assembly following judging.

Together As One! Confident Can Do Kids! Honour Be Your Guide.

This change has been made to allow the students extra time for their gardens to flourish. Exact judging date to be advised.

The criteria is open to the children to decide what they would like to create. Get inventive and use your imagination! Gardens are not intended to be brought to school and ***will be judged at the location of the garden*** (home/residence). Entries can be something as simple as lettuce grown in an upcycled container, through to a project carefully thought through with an elderly neighbour or grandparent.

Children will need to keep a diary containing details on what, and when, they have planted. Plants may be started as seeds or seedlings and children should understand basic principles, such as planning the garden, preparing the soil, watering, pest and weed management. Other than that, we are keen to see our children outside enjoying the fresh air, hands on and getting creative!

Any child who wishes to enter must complete an entry form: [Veggie Garden Entry Form](#)

AG Day Pet Diaries:

Children are encouraged to keep a 'Pet Diary', which can include details about their pet's breed, date of birth, feeding and health details, as well as photos and drawings. It is up to the child as to what they choose to submit for this, as there is no set criteria.

This year children have two options: The first being a hard copy, which can be a notebook, clear file, etc. What is included is up to you - there are no set criteria. The second option is to create a Google Slides pet diary, using Google Slides to create a visual presentation, showing the steps to care for the animals and photos showing them following these steps.

These are to be handed in or shared by email to either Mrs Smit (hsmit@tamahere.school.nz) or Miss S (jsaussey@tamahere.school.nz) by the start of Week 2 next term, on Monday 13th October.

AG Day Trophy Return:

Thank you to all the families that have already returned Ag Day trophies. If you are still holding onto any, can you please return them polished to the school office - thanks!

WAIKATO BOOK BATTLE:

Last Friday, a group of 8 Year 5 and 6 students went to the Hamilton Central Library to compete against many other schools for the yearly Waikato Book Battle. They were **Hannah D, Orien C, Summer L, Lachlan H, Gisella M, Ryan O, Sam McC and Thea B.**

They had to read and remember information from 5 different chapter books and then do a round of quiz questions for each, followed by 3 rounds of other random questions.

All the students worked really well together and really enjoyed the morning. They behaved well and showed our school vision.

We didn't get in the top 3 but we will find out how well we did, later on in the week. There were only 3 points between the top 3 winning teams.

Thank you to Donna and Nicola for transporting and supervising the teams.

Also, thank you to the Waikato Literacy Association for organising and running the event.

COUNTRY CLUSTER CROSS COUNTRY:

Last Thursday, we hosted the Country Cluster Cross Country, with students representing TMCS, Tauwhare, Newstead, Matangi and Seventh Day Adventist taking part. It was great to see so many supporters cheering on the athletes.

Together As One! Confident Can Do Kids! Honour Be Your Guide.

A big thank you to our wonderful sponsor Angela Thomas of **THOMAS Estates - CHRISTIE'S International Real Estate** and her family, for supporting our runners by cooking and serving yummy sausages for all the hungry runners. Not only did they cook all the sausages, but they also hired a BBQ trailer for the morning, plus donated 2 boxes of apples for the athletes to enjoy! Thank you to **Paul Johnson** and his helpers too.

A huge thank you to **Mr Martelli** for all his hard work behind the scenes!

Bake Sale 2025– Thank you!

Thank you so much to all the students for your amazing support of our Year 6 Bake Sale. We really appreciated you bringing some coins along to purchase the treats and we hope you all enjoyed the wide variety of baking.

A huge thank you to our Year 6 students and their whānau, for all the time you spent creating, making and presenting the delicious treats. There was something for everyone - students and staff alike! The photos show some of the amazing food and the happy buyers - and eaters!

PIRONGIA SYNDICATE SPEECHES:

A selection of students across the Pirongia Syndicate presented their persuasive speeches to their Syndicate on Wednesday. Well done for speaking in front of the entire Syndicate, demonstrating our *Kia Maia - Confident Can-Do Kid* vision.

If you have any **FULL YUMMY STICKER SHEETS**, can you please return these to the office by the end of Term 3, so that we can send them off to claim our free sports equipment. The more you collect, the more sports gear we can receive, and you will be allocated whanau points. Thank you for your continuing support.

Together As One! Confident Can Do Kids! Honour Be Your Guide.

HATS IN TERM 4:

With hats being compulsory for Term 4, it is a great time to organise for children's names (first name and first letter of surname) to be embroidered on the back of their school hats. This costs only \$9.00 each! Not only is this an extremely competitive price, but the investment in purchasing only one hat and eliminating the need for several replacements more than pays for itself.

This is not just for brand new hat purchases but existing hats too!

To be included in time for Term 4, please bring your child's hat to the school office with your \$9 payment (or order a new one for a total of \$30). This can take between 1-2 weeks, so please order as soon as possible.

Book Launch at Books For Kids - Saturday 13th September

Dragonfall: The Fate of Dragons is the start of an epic middle-grade series from Waikato-based author Sarina Clark. Laid out with reluctant readers in mind, in dyslexia-friendly font with illustrations throughout, this is the perfect adventure trilogy for all dragon-loving kids.

The launch at **Books for Kids Bookshop** next Saturday will feature readings from the book, activities, a colouring-in contest, and more.

Class Placements for 2026 - Let Us Know!!

As we approach Term 4, it is once again time for us to start planning our classroom environments for next year.

When we organise classes in our school we look at each of our students' academic and social needs and abilities. We use our cumulative teachers' notes and check friendships with each child. We strive to achieve the best possible learning environments for all of our students and teachers. We actively decide to separate some students and join others, to achieve the best possible learning and teaching outcomes.

While providing support, we also work to build resilience and independence in our students, so that they will be able to cope with change and the next steps in their educational journeys when they transition from us to other schools. Our aim with mixing students around is to develop a school environment where students know and are

Together As One! Confident Can Do Kids! Honour Be Your Guide.

happy to work with many other students, to give opportunities to develop further friendships and to have a break from others to improve concentration and learning.

If you believe you have *any special information that you feel our teachers may not be aware of*, for example – the possibility of avoiding a competitive cousin in the same class, or neighbourhood friends that get to see each other too much, **please let your class teacher know** as they will add any relevant comments to the cumulative placement sheet. It is important if you have any information to share that you **let us know before the end of this term**. Please, do not feel you must make comments as we are not expecting many cousins, etc to be a consideration. This is for information that we are unaware of.

TAMAHERE NEW ENTRANT 2026 ENROLMENT TRACKING

Thank you to the many families that have already contacted the school office, confirming names to be included in our 2026 cradle roll and completing the pre entry form.

Can all families with pre-schoolers and anyone expecting to enrol a child at Tamahere Model Country School for 2026, please ensure that you have added their names to our cradle roll and completed the pre entry form, which greatly assists us with planning for next year. **Please [click here](#) to download our 2026 Pre Entry Form.**

Please email the completed Pre Entry form to the school office at reception@tamahere.school.nz

Thank you for your assistance.

BALLOT FOR 2026 OUT OF ZONE ENROLMENTS

Any out-of-zone families wanting to enrol a child at Tamahere Model Country School in 2026, need to apply to be in our ballot for Out-of-Zone placements by **Thursday 2nd October 2025**. The ballot will be drawn on Friday 10th October 2025.

We will be offering possible placements across all ages of the school. This is due to the numbers we have presently in our age cohorts and the staffing that we are anticipating being given. By allowing a few more students into age cohorts, we will have one extra tool to help us manage our class groupings in 2026 and help to keep our syndicate numbers balanced. Depending on in-zone enrolments and priority categories, we may not use the numbers below but we can open up some places if needed to support better learning environments for all of our students/aakonga.

Please note if you are out-of-zone, **even if your child is a sibling of a current student, you must be in the ballot** to have a chance of your child being enrolled at our school in 2026.

We will be offering **up to** - 10 places in Year 5/6, 10 places in Year 3/4, 12 places in Year 2, and 14 places in Year 1. Advertisements appeared in the wider community this week.
