Wiki/ Week 4 Happenings:

Ministry of Education Guidance following increased national risk of measles

Health New Zealand is alerting schools to an escalating risk of measles as it responds to a measles outbreak following confirmation of 13 new cases of measles since 20 October.

Measles Alert

EARLY SYMPTOMS	LATER SYMPTOMS
• High fever • Cough • Runny nose	• High fever • Rash

This escalating risk is a concern, especially for education settings where measles can spread rapidly. In New Zealand, our measles immunisation rates are too low to prevent outbreaks from happening when measles is circulating in our communities. Our low immunisation rates contribute to this lack of community protection.

Measles is highly contagious and serious – about one in three people may need hospital care. It spreads when an infected person breathes, coughs or sneezes.

- Watch out for symptoms – fever, cough, runny nose, sore eyes, and a blotchy rash:

[Measles – Health New Zealand](#)

- Anyone with measles symptoms must stay at home and should seek urgent advice by ringing their doctor or Healthline on 0800 611 116.

Together As One! Confident Can Do Kids! Honour Be Your Guide.

- Anyone who is closely exposed to a measles case must stay at home. Health New Zealand will provide individuals with advice on a case-by-case basis (including when they can leave quarantine at home).
- Health New Zealand is actively working with the schools that currently have measles cases.
- People are considered immune to measles after having two doses of a measles vaccine from 12 months or older, or if you have had measles before. For more information on measles immunity visit:

[Measles immunity – Health New Zealand](#)

[My Health Record – Health New Zealand](#)

- Anyone born between 1969 and 2004 may have only received one vaccine dose and might not be fully protected. It's safe to get extra doses. A free vaccine can be booked online or via the Vaccination Helpline on 0800 28 29 26.

[Book my vaccine – Health New Zealand](#)

Thank you to our amazing community for having such a high rate of vaccination already and for having all your documentation up to date. We do have a few families getting their vaccinations and finding documentation at present but as a school, we are looking pretty well protected and you are keeping your children as safe as possible. Thank you. If we were to get a case, the Health Department would tell us what measures they would take in the way of isolating class groups or year groups or our whole school. Let's hope it doesn't come to that.

Golf Tournament:- Thanks to the golf committee, who are working hard to create a fun golf day on 28th November. Please sign up your teams soon so the tournament can go ahead and details can be organised. Funds raised will be going towards the much needed upgrading of classroom furniture. More details follow later in the newsletter.

South East Hamilton Country Schools T Ball Tournament

Many of our Year 5&6 students represented TMCS at the South East Hamilton Country Schools T Ball Tournament yesterday hosted at Tauwhare School. Thanks to all our wonderful parents who provided transport and supported the children throughout the day. We will be sharing results and a photo gallery in next week's newsletter.

A reminder that we are holding our Annual **Athletics Days** next week. We look forward to seeing whaanau cheering on their children and we have our fingers crossed for perfect

weather conditions. Please see further details and times shared later in this Newsletter.

Make sure you don't miss out on all the wonderful books and gifts on offer at our **SCHOLASTIC BOOK FAIR** in the library next week.

This is a great opportunity to get in some secret Christmas shopping. Eftpos, credit cards, and cash payment is available.

WEEK 5 ATHLETICS DAY INFORMATION

PIRONGIA and **MAUNGATAUTARI** Syndicates will be having their **Athletic Days** on the school fields on **the 4th and 5th November**.

These days will run slightly differently to other school events, due to the opportunity to represent the school at the Inter-City event. Because of this, we will be running our days in age groups, rather than year groups.

Ages are to be taken as at the 6th of October 2025 (beginning of Term 4).

Please read the schedule below, to double check which day your child will be competing.

PIRONGIA:

Tuesday 4th November - Starting at 9am

- 7 year old girls and boys
- 8 year old girls and boys

MAUNGATAUTARI:

Wednesday 5th November - Starting at 9am

- 9 year old girls and boys
- 10 year old girls and boys
- 11 year old girls and boys

Children will need:

- to wear their whaanau shirt

Together As One! Confident Can Do Kids! Honour Be Your Guide.

- **bring a suitable lunch and big drink bottle, filled with water**
- **bring a warm jersey and/or jacket**
- **all children should be wearing shoes for SHOT PUT. In all other events, they may have bare feet.**

Sun Safety - The children will be outside for most of the day, so will be exposed to the heat of the sun. Sunblock cream will be made available, but we ask that students wear sunscreen to school and to re-apply during the day. Children are also to wear their whaanau shirts and school sun hats.

The children will rotate in age gender groups around all events. Children are expected to participate in all events, as they have been practising at school and this is part of the Physical Education and Health Curriculum. It is also a great time to support friends.

SPRINTS/400 METRES/RELAY FINALS/CLASS & WHANAAU RELAYS

On **Wednesday 5th November**, we will be having our sprints, 400 metres and relay finals for Pirongia and Maungatautari 8, 9, 10 and 11 year olds. These will be held on the Tamahere Reserve, **beginning with the 400m races at around 1.10pm**. We encourage students to challenge themselves and race this event. The top 8 runners in each year group will qualify for the girls and boys 100m finals and these results are determined by the sprint races on the Pirongia and Maungatautari athletics mornings (Tuesday 4th and Wednesday 5th November respectively). We will also be having class and whaanau relays.

We look forward to hopefully seeing you there.

*Kind regards,
Maungatautari and Pirongia Teachers*

TAUPIRI Athletics for our Year 0, 1 & 2 students, is on Thursday 6th November from 11-12ish.

Parents are welcome to share this with us. We will be walking around seven rotations while our students 'have a go' at the various activities we have.

Children can wear whaanau shirts and must have shoes on, as we will be running our sprint races on the Tamahere Reserve.

We look forward to seeing you on the school field by the pool on Thursday 6th November at 11am. Please join us if you can.

Thank you
The Taupiri Teachers

Focused on bringing the community together and providing entertainment for everyone, it is also a major fundraiser for TMCS. Pumpkin Night features lots of food and drink options, plus fun activities, pumpkin-based competitions and wonderful live entertainment.

Our 2026 Pumpkin Night date will be announced shortly, along with more information.

Buzzing with Excitement in Pirongia!

Last week, Pirongia students were lucky to have Sarah from Sarah's Bees visit for an exciting, hands-on bee experience. Students learned fascinating facts about bee anatomy, honey, and wax, and explored how bees help our environment.

They loved trying on real bee suits, taking apart and reassembling a beehive, and searching for the queen bee in a colony. It was an unforgettable, buzzing day of learning!

The bee lady was awesome! We got to see some real bees in a weird honeycomb suitcase. It was so interesting. She taught us about the jobs and life cycle of the bees. We learned that worker bees only live for 2 months. We also got to try on real beekeeper suits. My personal

Together As One! Confident Can Do Kids! Honour Be Your Guide.

favourite was trying the honey. I hope the bee lady comes back soon. - Julia (K3)

The bee lady's name is Sarah. We got to do 4 stations. It was really awesome. Station one was examining real-life bees. Station two was trying on bee suits that real beekeepers wear. At Station 3, we got to play with bee toys. Station four was my personal favourite - licking the honey. Guess what!! You should be proud to be a girl, because all the girl bees do all the work, and the boy bees just make babies and die. It was so awesome to have Sarah at our school. - Frankie K3

The bee lady was amazing. She showed everyone who bees are and let us try on some beekeeper suits and showed us some real-life honeycomb. amazing. I can't get my head around it. We learned all about the jobs of the bees and the stages of life. Did you know boy bees do nothing? Wow! There is so much I didn't know about bees; now I know everything. Thanks - Chloe (K3)

A big thank you to Sarah, from [Sarah C's bees](#), for sharing her knowledge and passion for bees with us. 🐝

PTA PURCHASE

Thanks to the ongoing fundraising efforts of the PTA, our school tennis courts have been enhanced with brand new nets. The new nets, put up by Allan and John in the holidays, are a welcome replacement for the old, well worn set. You will find the courts particularly busy on a Friday afternoon, when a number of children have lessons. We thank you for your ongoing support. If you have suggestions for small improvements around school please let us know at pta@tamahere.school.nz.

Learn To Swim Lessons Starting in Week 6 - Don't Miss Out!

Have you booked your Tamahere School Pool Swim lessons yet?

Have you booked your Swim Lessons? St Peter's Swim School lessons at Tamahere Vela Pool start from Week 6. If you missed out on making a booking, you still have time. Lessons will run daily Monday – Wednesday from 3pm - 6pm, from **Monday 10th November – Wednesday 10th December** and again in Term 1 from **Monday 9th February, through to Wednesday 11th March 2026.**

How do I book swim lessons?

To book into these lessons now, or to transfer a current St Peters Swim School Learn to Swim enrolment, just click the link below and log into your customer portal :

<https://portal.iclasspro.com/stpetersswimschool/classes?programs=87>

To transfer a current student to Tamahere lessons: Customer Portal>My Account>Select Student>Enrolment>Transfer Enrolment>Select new class

Please click here to see the [list of pre requirements](#) for each level, to help you find the correct level for your child. You are welcome to contact us to organise an assessment for your child if you are very unsure.

These lessons will be charged via the St Peter's Swim School Direct Debit system monthly. It will consider how many lessons you will have in the calendar month to adjust for the Christmas break and public holidays. As you are charged monthly (1st of the month), and we know how life changes quickly, if you require a change or cancellation of these lessons, you will be able to do so by letting us know before the next Direct Debit run. This is explained further in our terms and conditions.

Unfortunately, these lessons will not be included in our "make up" offer. The programme is small and there are not the options to offer them. Thank you for your understanding with this.

All children will require caps and goggles for their lessons. This streamlines interruptions and hugely helps maintain the hygiene of the pool.

If you would like to book in and there is not a class available for you, please email us at swimschool@stpeters.school.nz so we can assist you.
