Nurturing Our Future - Growing Together
Kia atawhai aa mua - Kia tipu ngatahi

Wiki/ Week 6 Happenings:

Internet Safety! As you may have seen in the media, schools are increasingly having to improve their safety networks to keep students safe when using devices at school. The challenge is new apps and AI, which are making accessing sites much easier, even within secure systems. Last week, we met with Linewise, one of our safety providers, to improve our systems once again. To most of us, our firewalls block all questionable and gaming sites.

Sadly, however, a parent this week has informed us of students/aakonga who are using VPN and apps to access gaming sites such as Roblox. Some of our aakonga are becoming addicted to these games as they are designed to achieve. Some families are finding devices being used in the middle of the night to game and visit sites. Are you aware of what your child is doing and where they are going online? Roblox is R13, but accounts can easily be set up.

We have been checking the online history of our aakonga, and many have been trying to access gaming sites again and again during school and home time, but mostly they have been blocked due to our software. **ALERT!** Some children have learnt how to get around the firewalls with the use of their own Gmail accounts, VPNs and Apps. We have spoken to our senior students about their signed agreements and requirements, and are tightening our processes yet again. We are gutted that our safety systems, which we pay a lot of money for, are not foolproof. Our providers are saying that with AI they may be unable to block everything we want with Bring Your Own Devices. We are so sorry!

- Does your child have numerous accounts?
- Are they accessing gaming sites and social media platforms?
- Do you know their history and where they have been?
- Please have some conversations with your children and make sure they are not getting dragged into addictive games and dangerous platforms.

We are teaching internet safety, but children are curious and don't always think of consequences. They have no fear of exploring on their devices when adults can be a lot more cautious.

Computers have transformed how teachers teach and provide an important tool for learning. However, there are also dangers. As a school, we will be looking more closely at our use of IT and how we manage and monitor student access. Our IT experts are working on tightening our safety nets. Once again, we apologise for the gaps in safety and thank the parents who have alerted us to

Together As One! Confident Can Do Kids! Honour Be Your Guide.

this problem.

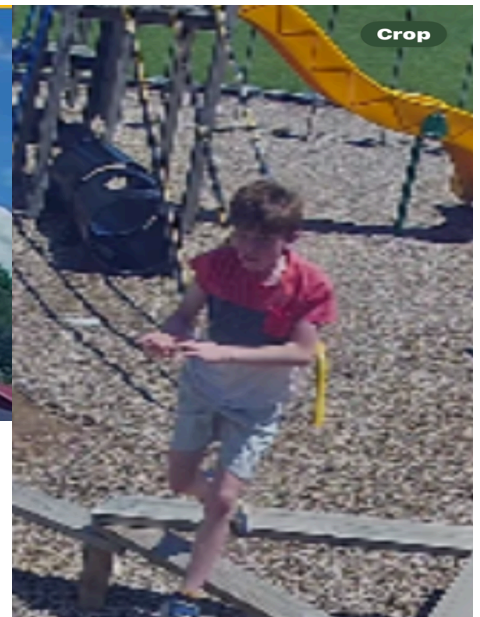

We are truly sorry, as we believed the Government and the extra paid safety providers we use, had created an impenetrable and safe platform for our aakonga. We will be working with them to make our systems as safe as possible.

Next term, we have John Parsons, an ex-police officer who has become a well known internet safety advocate for children, coming to our school to spend time with our aakonga. We will also be hosting a parent information night on Thursday, 26th March in the TCC. Please save this date in your diaries.

Do you know who this child is? We want to keep him safe!

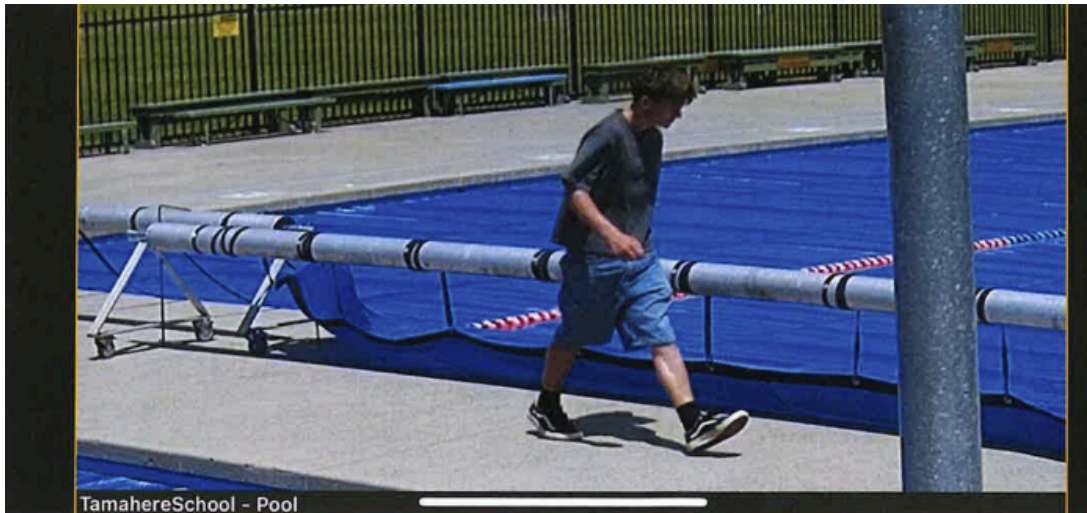

Over recent weeks, we have had a number of teenagers coming onto our site and messing about doing silly stuff. One of their pastimes has been to put class doormats and outside chairs on the roofs of classrooms and sit around on them, causing poor Mr Wickens to have to climb up and sort everything out after the weekends silliness. Today, we will be meeting with a few of the teenagers concerned who were clearly identified by our cameras. Our main concern now though, is the copycat actions of a much younger boy who has been at school and seen these teenagers play on the roofs. We are concerned for his safety. His smaller stature means he is, at times, dangling when trying to do what the bigger boys have achieved. There is a big drop with concrete and poles below. We do not want a tragedy to happen. Who is this child? We need to keep him safe. Please let us know if you think you may know who he is, or let his family know. We are very concerned that a nasty accident could easily happen, and there are no adults showing on the cameras when he and a friend with long dark hair have been here.

Together As One! Confident Can Do Kids! Honour Be Your Guide.

Swimming Pool - Safety

We have also had teenagers on skate boards come into the swimming pool area. Another significant worry for drowning. Sadly our pool cover has been ripped again, and the Police have been informed. Last time this cost the school \$6,000 to repair, which is precious money we don't have to waste. If you are around school and see anyone in areas they shouldn't be, please see if you can identify the offenders by taking photos or car registrations for us to follow up, as that could be very helpful. If you know who these boys are, we would be keen to know. They are not wanted for the ripping of the cover - just safety reasons. Thank you.

Whaanau Bird Drawing Competition

Dear Parents and Whaanau,

The school councillors and enviro team are creating an area in the Kowhai 4 space. We have four po's (posts) that we are dedicating to our four whaanau birds, Takahe, Kotuku, Hoiho and Kakapo. We are asking if your child/ren would like to design a realistic version of any whaanau bird of their choice. If they would like to enter their whaanau bird of choice, it could end up on one of our four posts. To enter, they will need to hand in their design to the office by Wednesday 19th November 2025 before or during lunch.

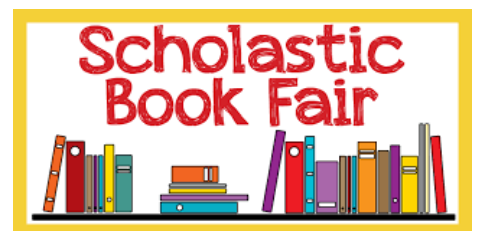

If you have any questions please contact Miss Parker.

SCHOLASTIC BOOK FAIR THANK YOU!!!

A huge **THANK YOU** to all of those wonderful parents, grandparents and children who purchased books and gifts at our Scholastic Book Fair in the library last week. \$10,341.00 worth of books went into our students' homes for them to read!!! PLUS this means around \$3,500 worth of books can be chosen for our school library next year. Absolutely amazing. Thank you, Tamahere!!

DRESSING OF THE TREE

Kia ora Whaanau,

Every year we walk down to St Stephen's Church for a 'Dressing of the Tree' service, which has been a special tradition of Tamahere School for many years. The Syndicates will be attending in two sessions, across 3 days, due to the numbers of children, as follows:

Maungatautari Syndicate (Year 5 & 6) - Tuesday 25th November

- **Karaka 15, Manuka 16 and Mahoe 17** will be leaving school at 8.40am for the 9.00am service.
- **Miro 13 and Pukatea 14** will be leaving school at 10.40 am for the 11.00 am service.

Pirongia Syndicate (Year 3 & 4) - Wednesday 26th November

- **Tanekaha 12 and Kawakawa 3** will be leaving school at 8.40 am for the 9.00 am service.
- **Nikau 1, Kauri 2, Nikau 1 and Matai 11** will be leaving school at 10.40am for the 11:00 am service.

Taupiri Syndicate (Year 0, 1,& 2) - Thursday 27th November

- **Rimu 7, Tawa 19 and Totara 10** will be leaving school at 8.40 am for the 9.00 am service.
- **Horopito 20, Horoeke 21, Pohutukawa 8 and Rata 9** will be leaving school at 10.40 am for the 11.00 am service.

We will need at least 3-4 parent helpers per class. Please approach your classroom teacher if you are available to help - no preschoolers, please.

Your child will need to wear sensible walking shoes (no jandals please) as we are walking from school. Unfortunately, children who do not have suitable footwear will need to stay behind with a buddy class.

If you do not wish your child to attend a 'Dressing of the Tree' service, please let your classroom teacher know.

SWIM CAPS

We are looking forward to the children being able to start swimming next week. **All swimmers must wear swim caps at the Vela Pool Complex.** We have 2 styles available to purchase through the school office - caps printed with the whaanau name are \$14.00 each or \$12.00 without (please note we only have blue or green teamline caps in stock), or they are welcome to use their own swim caps.

City Cluster T-ball

Wow! Another incredible day for some Tee Ball action. 24 students represented our school at the City Cluster Tee ball competition last Thursday. A lot of lunchtime training was put in preparing our students for some tough competition. Six competitive games were played by our two teams over the hot day. It came down to the final games to decide the winner. With our teams giving it their all and leaving it all out on the field. Once again the students showed incredible sportsmanship and teamwork, while showcasing our school vision to a high standard. A huge congratulations to all our competitors and a massive thank you to our parent helpers!
